FUNDS ARE VOTED BY COMMONS FOR INCREASES IN SALARIES OF FEDERAL CIVIL SERVANTS

Sum of \$2,700,000 Provided for New Schedule; Working Out of Revision Explained to House by Hon. Fernand Rinfret, Secretary of State

Ottawa, April 14.—The vote of \$2,700,000 in the supplementary estimates for increases in civil service salaries was passed by the House of Commons shortly before the lunch adjournment today.

Hon. Fernand Rinfret, Secretary of State, explained the new schedule to the House.

The object of the proposal, he said, was to increase every minimum and every maximum salary in all classes of the civil service by 120 per cent, with the exception of the lowest class, which was in fact an entrance class, and certain temporary employees engaged for only a few months at a time.

SOME NOT INCREASED

In the working out of this plan, Mr. Rinfret explained there were some who would not obtain the increases at all, and some whose increases, in view of the fact they had already had their salaries increased, would on this occasion get less than 120. There were in the civil service some 400 persons who were already receiving salaries greater than the maximum of the class in which they were placed. Their salaries would not be increased because it would be only aggravating a situation that in the Minister's opinion should be restricted as much as possible. If these persons were only doing the work which their class required, then they should not receive over the maximum, but on the other hand if they were doing or capable of doing more important work, they should be classified.

POSTAL WORKERS

The other class in which the increases on this occasion would be less than 120 a year were the postal clerks, railway mail clerks, letter carriers and certain others. In 1924, when the bonus had been taken away from all the civil servants, an adjustment had been made in regard to these classes by which they received \$150 a year increase in salary. Under the present proposal this would be further increased by \$50 a year. Thus, while the increase on this occasion was only half what others were receiving, this total increase in the salaries of these employees, taking the former advance into consideration, was \$240 a year or double what the other civil servants were receiving. The Minister pointed out that in past years there had been an additional \$150 a year given to the postal employees which was a remnant of the bonus, but this would not be available this year. It was the taking of this into consideration that had given these men grounds to claim their increase this year was only \$42.

TELEGRAMS CRITICIZED

The Minister said he did not wish to condemn the man who had sent telegrams to the members of the House registering complaints that the postal employees had not received a greater increase. There was nothing wrong in their asking for greater salaries, but he did object

COWICHAN PIONEER RETAINS REEVESHIP

John Newell Evans Upheld as Chief Magistrate of Up-Island District

Crofton Polling Irregularities Serious But Not Fatal to Election, It is Held

John Newell Evans, veteran Reeve of North Cowichan, retains his seat. At the close of the Supreme Court Chamber proceedings here today Mr. Justice W. A. Macdonald found that while there had been irregularities at the Crofton poll of the North Cowichan district in the January municipal elections, the irregularities had not materially affected the result of the election. Costs in the suit were reserved.

Richard Henry Smiley, defeated candidate for the reeveship in the 1927 elections, took proceedings to challenge the right of the North Cowichan Reeve to sit. The action was based on charges that the Crofton poll, where the deputy returning officer retired when darkness had fallen, at 6 p.m., closing the poll one hour earlier than provided for by statute. It was shown that one man tried to vote after that hour, but found the poll closed. It was also stated that thirty-five others were entitled to vote, but that they were shown whether they intended to exercise their franchise on this occasion or not.

Holding that the closing of the poll had been irregular, but not one which in the light of all the present circumstances affected materially the results of the election, the learned trial judge found for the respondent. Under the present proposal this would be further increased by \$50 a year. Thus, while the increase on this occasion was only half what others were receiving, this total increase in the salaries of these employees, taking the former advance into consideration, was \$240 a year or double what the other civil servants were receiving. The Minister pointed out that in past years there had been an additional \$150 a year given to the postal employees which was a remnant of the bonus, but this would not be available this year. It was the taking of this into consideration that had given these men grounds to claim their increase this year was only \$42.

The Minister said he did not wish to condemn the man who had sent telegrams to the members of the House registering complaints that the postal employees had not received a greater increase. There was nothing wrong in their asking for greater salaries, but he did object

ARMS LIMITATION DELEGATES AT GENEVA PAUSE FOR A WEEK

Take Breathing-Spell to Prevent Failure of Preliminary Conference

Geneva, April 14.—The Preliminary Commission for a Disarmament Conference, which has been fruitless seeking an accord on the problem of international supervision of armaments, adjourned last Thursday shortly after assembling here today. The adjournment was forced by the League members, who foresaw an inconclusive debate on the supervision question. It was feared further increase in the nervous tension of the delegates would imperil all chances of success.

TWO DRAFT-PACTS

M. De Broqueure of Belgium, in an effort to rescue the conference from its deadlock, introduced a project to make two draft-conventions, one for League Nations members, which would include provisions for international control and inquiry into treaty violations, and the other for non-League Nations members, which would include provisions for international control and inquiry into treaty violations, and the other for non-League Nations members, which would include provisions for international control and inquiry into treaty violations.

Exemption of the United States was approved by all the delegates at the application, Reeve Evans, however, immediately pointed out that a similar exemption could not be made for Russia, which is also a member of the League. This left the inference that Russia could not be allowed to subscribe to the disarmament convention minus supervision regulations.

PUBLIC OPINION

The commission adjourned abruptly with the main issues unsettled and with the leading delegates declaring privately that disarmament was henceforth in the hands of public opinion, which must influence the governments to reach an accord on the questions in conflict, especially as to the limitation of naval tonnage.

The deadlock is generally ascribed to a wave of uneasiness over the atmosphere of preparedness existing in Europe, the absence of Russian representation on the commission and fear of Bolshevik repression in Europe from the Far Eastern situation.

COURT GIVES ORDER BUT BREWERY BOOKS ARE NOT PRODUCED

Portage la Prairie, Man., April 14.—Counsel for Shea's Winnipeg Brewery Limited refused compliance with a court order yesterday for production of the brewery's shipping book during hearing of charges against the company of illegal beer selling. Arthur Sullivan, appearing as defence counsel, took the books from the custody of J. T. Boyd, secretary-treasurer of the company, who was appearing as a witness. Mr. Sullivan told the court he would refuse to produce them on his own responsibility.

Sullivan objected to Boyd surrendering the books on the ground that he had no authority from the company directors to do so. The hearing was not concluded.

CHILDREN LOCKED IN CUPBOARD HAD NARROW ESCAPE

Vancouver, April 14.—Accidentally locked in a cupboard while playing in an unoccupied house, the seven-year-old daughter of J. E. Greaser and a boy of the same age, a son of a neighbor, had a terrifying experience last night. Search for the children was started when they failed to appear for supper and led to the unoccupied house, where means of the children resulted in their predicament being discovered.

NEW AEROPLANE ENDURANCE RECORD FIFTY-ONE HOURS

Acosta and Chamberlain, U.S. Civilian Aviators, Set Mark at Long Island

Land After Long Steady Grind at Less Than Eighty Miles an Hour

Minneapolis, N.Y., April 14.—Bert Acosta and Clarence D. Chamberlain, civilian aviators, landed in their aeroplane at Roosevelt Field at 12.42 p.m. today after setting a new world record for endurance flying by remaining in the air 51 hours 12 minutes.

At 6.42.39 a.m. the aviators broke the former world's continuous flying record of forty-five hours eleven minutes and fifty-six seconds. The former world record was established by the French fliers, Doughin and Landry at Etampes, France, in August, 1925.

It was the third record shattered by the aviators since they started on their endurance flight over Long Island at 9.30.40 o'clock Tuesday morning.

OLD KELLY MARK PASSED
The previous United States record was made by Oakley Kelly and John A. MacReady at Wilbur Wright Field, Dayton, Ohio, April 16-17, 1925, with thirty-six hours, four minutes and thirty-four seconds in the air.

Acosta and Chamberlain used a Wright-Bellanca aeroplane. Traveling at less than eighty miles an hour, they "shuttled" steadily back and forth between Roosevelt Field and New York City, keeping up the pace until they established the new world endurance record.

TROOPS ON GUARD IN STORM-SWEPT TOWN

Shelters Built For People of Rock Springs, Texas, Where Sixty Lost Lives

Rock Springs, Texas, April 14.—Military rule today placed relief and salvage operations here on an efficient schedule as the casualty list in the tornado that razed this inland plateau town Tuesday night stood at fifty dead and upwards of 170 injured.

More than seventy of the more seriously injured were in hospitals at San Antonio, 120 miles east of here, today. About the same number received treatment in an improvised hospital at Camp Wood, thirty-two miles south.

Two women and a child died at San Antonio late last night. They were identified as Mrs. Dottie Fleming, Nicholetta Montell, seven, and Mrs. Adams, James Borland, forty, died on a Red Cross train yesterday, while an unidentified woman succumbed in one of the ten army aeroplanes sent from Kelly Field, San Antonio, to speed removal of the injured.

RELIEF HEADQUARTERS

Unaided, seventy-two miles south-east of the nearest main railroad point, continued as relief headquarters, where the Red Cross supervised evacuation of injured and dispatched supplies to approximately 700 survivors.

Highways weakened by floods and slippery mountain roads slowed traffic from several nearby towns.

With cavalrymen from Fort Clark on guard, relief work was well organized.

Soldiers and volunteers made every effort to build shelters for survivors.

Vancouver Bettors Made to Pay Fines

Vancouver, April 14.—Charged with operating a betting house, a man giving his name as Joe Murphy was fined \$50 in police court here today. Twenty-two men found on the premises were each fined \$15.

Police state Murphy was operating a hand book on the races at Salt Lake City.

JUBILEE DECLARATION BY PARLIAMENT URGES UNITY

Ottawa, April 14.—The approaching sixtieth anniversary of Confederation was marked in the House of Commons today by the passage of a resolution recording the "deep appreciation of the achievements of the Fathers of Confederation." Premier King moved the resolution, which was seconded by Hon. Hugh Guthrie, Conservative House leader, and endorsed by the leader of the Progressive party. It reads as follows:

DUNCAN DELEGATION TOLD OF PLANS FOR MALAHAT WIDENING

Desire of Up-Island City Already Included in Sutherland Programme

When R. H. Pooley, M.P.P. for Esquimalt and Opposition Leader in the Legislature, introduced a Duncan delegation to the Cabinet here today to ask for widening of the Malahat Highway, he and his associates were informed by Hon. W. H. Sutherland, Minister of Public Works, that this project already had been ordered.

A compressor which will be used in extensive blasting operations along the Malahat has been purchased by the Public Works Department and is now at Sooke. Dr. Sutherland explained. As soon as work on the Sooke Road has been completed the compressor and other machinery will be moved to the Malahat, where they will be used in rounding off dangerous curves and broadening the road in narrow places.

In this way the Malahat will be made much safer for traffic than it has ever been in the past, the delegation was told. This explanation appeared to be highly satisfactory to the Duncan representatives, who explained that the up-island city is vitally concerned with travel conditions on the main island traffic artery.

Vancouver Youth Admits Robbery

Vancouver, April 14.—Charged with robbery with violence, Edwin Turner, twenty, pleaded guilty upon arraignment before Magistrate H. C. Shaw in police court here today for the part he played in the holdup of the Faragon Cafe here on the morning of February 26. He will be sentenced April 22.

Turner was found an hour after the holdup lying in a nearby alley, seriously wounded. He told police officers he had shot himself. The youthful bandit was under guard in the hospital until yesterday afternoon, when he was adjudged fit to be removed to police headquarters.

WIDENING MALAHAT HIGHWAY

The project to widen the Malahat Highway, a major traffic artery between Esquimalt and Victoria, has been approved by the federal government. The project, which was part of a larger program to improve the transportation network in the region, was announced by the Minister of Public Works, Hon. W. H. Sutherland. The widening of the highway will improve travel conditions and increase the safety of the route, which is currently one of the most dangerous in the province. The project is expected to be completed within the next few years.

COAL MINE FLOODED BUT WORKERS ESCAPE

Six Men Taken From Pit in Oklahoma and Rescue Efforts For Twenty-one Others

Lives Saved by Gathering of Workers Above High Water Level

Henrietta, Okla., April 14.—Caught in the subterranean workings of the Old Wise Coal Mine, near here, when a flooded creek overflowed into the underground workings, twenty-seven miners escaped death today by gathering on a level above the high water mark.

Six of the men were rescued soon afterwards and communication was established with the other twenty-one by rescuers on the surface.

The men were marooned at a point seventy-feet underground, three-quarters of a mile northwest of the mine's opening.

Water from the flooded creek engulfed the mine when its bed collapsed. The shaft was submerged in thirty-five feet of water.

The Henrietta fire department started several large pumps to work in an attempt to clear the shaft as quickly as possible.

Prorogation at Ottawa is Near

Ottawa, April 14.—The Senate gave third reading this afternoon to the bill amending the Pensions Act by defining the jurisdiction of the Appeal Board and the Pensions Board.

Senator Dandurand then moved the Senate adjourn until 5 o'clock. It was hoped, he said the Commons would conclude its session before 6 and that prorogation would take place early in the evening.

BATTLE SOON IN CHINKING REGION

Northern Chinese Forces Expected to Attack West of That City

Shanghai, April 14.—Official foreign sources report a big troop movement across China toward the Yangtze River, where Northern forces are expected to attack shortly.

A wireless dispatch from Nanking, which is held by the Cantonese, says soldiers on the northern bank of the river are firing regularly on all shipping. No casualties have been reported.

Rumors persist that the Cantonese have taken the city of Pukow, which lies across the river from Nanking, and that many White Russians were captured there.

There is no confirmation of this from foreign sources.

MANY LEAVES CANTON

Canton, April 14.—Foreigners and Chinese are evacuating this city in large numbers, fearing a clash momentarily between the Reds and the Anti-Reds.

A Red parade, originally set for Tuesday, but prevented by Government action, was postponed again yesterday. The Reds petitioned the Government for aid in carrying out their programme, but the Moderates, in power, flatly refused.

Shanghai, April 14.—Chinese residing in the native city of Shanghai have protested to the authorities against the practice of foreign soldiers searching Chinese women entering the foreign settlement.

The protest was made through Mrs. Herman Liu, wife of the former chairman of the Chinese Young Men's Christian Association, acting in behalf of various women organizations. Mrs. Liu said the Chinese women did not object to being searched, but they wanted women to do the searching.

Cap. Upematsu, commander of the Japanese landing force, replying in behalf of the authorities, said the smuggling of arms and propaganda into the settlement by women as well as men made it imperative all suspicious person be searched.

GREAT AREAS IN SOUTHERN U.S. UNDER WATER

Floods Caused by Heavy Rains Rage Along Mississippi River and Tributaries; 100 Persons Marooned at Blaine, Oklahoma; Mississippi Breaks Into and Floods City of Columbus, Kentucky

Fort Smith, Ark., April 14.—One hundred persons are reported marooned at Blaine, Oklahoma, eight miles north of Keota, on the Arkansas River, where a bridge was swept away and the town is threatened. Water was said to be two feet deep in Blaine.

Memphis, Tenn., April 14.—A telephone message from Clinton, Kentucky, reported the private levee protecting the city of Columbus, Kentucky, from the Mississippi River flood had given way this morning. Communication between Columbus and Clinton was cut off before details could be given beyond the fact that water was sweeping into the town.

WARNING GIVEN

Oklahoma City, Okla., April 14.—Flood warnings were issued in Northern Oklahoma again today following two weeks of high water and storms in which twenty-one persons were known to have lost their lives and scores were injured. Damage to buildings and crops was estimated as high as \$5,000,000.

A weather bureau forecast of a rise in the Arkansas River today sent persons hastening from their homes in the lowlands near Tulsa. A youth who attempted to ride a horse across the Delaware River near Sherry was reported missing. The Grand, Neosho, Arkansas and Verdigris Rivers were reported spreading over sections of North-eastern Oklahoma.

DYKES ARE WATCHED

Memphis, Tenn., April 14.—The lower Mississippi Valley is menaced by one of the worst floods in the history of the section—held back only by the great government dykes built along the river. Continuing rains to-day caused tributary streams to pour increasing waters into the main artery of the Gulf of Mexico, while thousands of acres of normally dry ground were gradually becoming immersed under the destructive tide. Arkansas probably is in the most critical condition of the river border. Levee breaks were reported to-day along the Arkansas River at Haroldton, Cross and near Tulsa. No loss of life has been reported. Although great areas are flooded it is believed all residents of the sections reached higher ground.

SEVENTEEN DEATHS CAUSED BY QUAKES IN SOUTH AMERICA

Houses in Santiago, Chile, Collapsed and Debris Litters Streets

Santiago, Chile, April 14.—Police reports say seven persons are known to have lost their lives in the earthquake which shook the Chilean capital this morning. Fifty-five were injured here.

Most of the casualties were in the residential sections, where several houses collapsed. In the business district the streets were littered with bricks and debris.

Only a few persons were in the streets at the time of the shock. They scurried to open spaces for refuge. The populace in general rushed from houses in night clothing or with what few clothes they were able to snatch in hurried flight. Within a few minutes all was chaos.

Numerous fire alarms were turned in and the fire engines were kept busy rushing to various parts of the city. Telephone and telegraph services were interrupted with all points except Los Andes and Concepcion, which reported that while they had felt the shock, no damage had been done.

TOLL IN ARGENTINA

Buenos Ayres, April 14.—Ten persons are reported to have been killed during an earthquake this morning at Mendoza, Argentina, in the foothills of the Andes and more than 100 miles northeast of Santiago, Chile. About fifty were injured and considerable damage was done.

The quake also was felt here faintly, starting about 2.50 a.m. local time and continuing three minutes. No damage is reported.

The instruments at the Gonzalez Heights Observatory recorded a severe earthquake last evening, the record commencing at 10.35 o'clock and continuing for three and a half hours. The distance from Victoria was estimated at 1,800 miles.

LAND CLAIMS OF B.C. INDIANS FAIL

Senate of Canada Declares No Such Rights as Were Argued Established

Ottawa, April 14.—The Senate today voted concurrence in the report of the special committee which investigated the claims of the Allied Indian Tribes of British Columbia.

The committee agreed unanimously that the Indians had not established any claim to the lands of British Columbia based on aboriginal or other title.

The Senate gave third reading to the bill, passed by the House, to amend the Civil Service Superannuation Act.

Road Work in Vancouver Area Is Now Planned

Vancouver, April 14.—After making a tour of highways in Greater Vancouver yesterday, Hon. W. H. Sutherland, Minister of Public Works, announced a conference of district engineers would be held in Victoria within a week or two. Plans will then be made for an early start on work approved.

AURORA CRIPPLES MURRES ON PRAIRIES

Severest Electrical Storm in Years Last Night and This Morning

Winnipeg, April 14.—Mysterious forces of the air, commonly known as Aurora Borealis or Northern Lights, played havoc on the Canadian prairies here today, with communication throughout last night and this morning.

The plains, in fact, were isolated from the east and only spasmodic communication was possible with points in the United States. The atmospheric disturbances which enveloped an area extending from Winnipeg to Montreal and embraced territory hundreds of miles to the south was the severest experienced in years, and for several hours affected almost a complete stoppage of telegraphic communication. West of Calgary wires also were affected.

\$1,500,000 Fire In West Virginia

Morgantown, W. Va., April 14.—An mine business block here was wiped out by fire early today, causing a total loss variously estimated at between \$1,500,000 and \$2,000,000. A theatre, jewelry store, hardware store, music store and other business buildings were razed.

Peace River Project Deferred

Ottawa, April 14.—The project for railway outlet for the Peace River district will be indefinitely deferred as a result of the action of the House

of Commons yesterday in adopting its railway committee's report on the proposals. An amendment proposed by D. M. Kennedy, U.F.A., Peace River was rejected by the House, 97 to 77. The amendment would have referred the report back to the committee for a rehearing.

GOOD SUPPORT FOR CREMATORIUM PLAN

Electric Incinerator and Chapel Are Aim of Newly Formed Society

At a meeting of the newly-formed Crematorium Society, held last night in the reading-room of the Victoria Chamber of Commerce, it was decided to send a delegation to wait upon the Cemetery Board at its next meeting to discuss a joint scheme whereby a crematorium could be erected in Victoria.

This was the first meeting held by the society and about thirty interested persons were present. A. J. Wedd was elected president and Rev. Mr. W. B. Ellison secretary, with Mr. Wedd and Rev. Mr. Ellison also joint treasurers. Dr. A. B. Hudson, William Groulx and Archdeacon Laycock, who were present at the meeting, were elected vice-presidents.

Dr. Hudson reported that he had seen both Dean Quackenbush and Bishop Schofield, and although they were not able to attend the meeting the society had their strong support. Mrs. Schofield also was strongly in favor of cremation. Dr. Hudson said that he had made inquiries from sources in Seattle and Vancouver as to the cost of the proposed crematorium and had found that the cost of an electric incinerator without a chapel would be in the neighborhood of \$7,000. The cost with the chapel attached would probably be around \$12,000. The next meeting of the society will be held when the appointed delegation has seen the Victoria and Saanich Cemetery Board.

Afternoon tea was popular and was enlivened by songs and dances by the talented McLean family, songs were given by Isobel and "Baby" McLean. Jean contributed Highland dances and accompaniments were furnished by Nancy McLean and the piano. Glimpses into the future were

Piles Go Quick

Thousands who have piles don't know that quick and permanent relief can be accomplished with internal medicine. Cutting or any amount of treatment with ointments and suppositories will not remove the cause.

Bad circulation causes piles. There is stagnation of blood circulation in the lower bowel and a weakening of the parts. Dr. J. S. Leonard found the remedy and called his prescription HEM-ROID. Dr. Leonard tried it many, many cases with a marvelous record of success, such a wonderful record that HEM-ROID is now sold by druggists everywhere under a rigid money-back guarantee.

F. Fox were responsible for the home cooking and Mrs. T. Scott and Mrs. Nicol for the fancy and plain needlework. Tea was served by the president, Mrs. McDuff, with Mrs. Pickard and Mrs. Ford. Mrs. T. Scott was general convener. The bazaar was formally opened by Mrs. Booth, who was presented with a beautiful bouquet of carnations by little Peggy McBeath.

In the evening a whist drive was held, many guests being present. Mrs. McDuff and Mrs. Ford again constituted a refreshment committee and a collection was taken. The prize winners were: First, Mrs. B. H. Meagher; second, Mrs. Jacklin, Mr. Sanders, third, Mrs. C. F. Fox, Mr. T. Scott. Mrs. Smith, 1145 Yates Street, was doubly fortunate, proving to be the winner of both the nightgale and the cake offered for competition during the afternoon. Mrs. Elrick won the buffet set.

Pensions Bill is Given Third Reading By the Commons

Ottawa, April 14.—In its fifth division of the day the House yesterday, by a majority of fifty-five to twenty-eight, passed the Pensions Bill as amended to the House by the Senate.

The Pensions Bill was then given third reading.

Mr. Bennett's amendments would have provided:

1.—That the Pensions Act shall be construed and administered as remedial legislation and that if there is any reasonable doubt as to the right of an applicant for pension, the applicant shall be given the benefit of such doubt.

2.—That if a decision of the Board of Pension Commissioners for Canada be reversed by the Federal Appeal Board acting within its statutory jurisdiction, the decision of the Appeal Board shall thereupon for all purposes of the Pensions Act be deemed to be and be the decision of the committee.

3.—For the purpose of the Pensions Act the disability on discharge of an applicant for pension who really served in a theatre of war shall, in the absence of misrepresentation or concealment on enlistment, be conclusively presumed to be attributable to military service.

4.—That if a decision of the Board of Pension Commissioners for Canada be reversed by the Federal Appeal Board acting within its statutory jurisdiction, the decision of the Appeal Board shall thereupon for all purposes of the Pensions Act be deemed to be and be the decision of the committee.

5.—That if a decision of the Board of Pension Commissioners for Canada be reversed by the Federal Appeal Board acting within its statutory jurisdiction, the decision of the Appeal Board shall thereupon for all purposes of the Pensions Act be deemed to be and be the decision of the committee.

6.—That if a decision of the Board of Pension Commissioners for Canada be reversed by the Federal Appeal Board acting within its statutory jurisdiction, the decision of the Appeal Board shall thereupon for all purposes of the Pensions Act be deemed to be and be the decision of the committee.

7.—That if a decision of the Board of Pension Commissioners for Canada be reversed by the Federal Appeal Board acting within its statutory jurisdiction, the decision of the Appeal Board shall thereupon for all purposes of the Pensions Act be deemed to be and be the decision of the committee.

8.—That if a decision of the Board of Pension Commissioners for Canada be reversed by the Federal Appeal Board acting within its statutory jurisdiction, the decision of the Appeal Board shall thereupon for all purposes of the Pensions Act be deemed to be and be the decision of the committee.

New Fashions from Japan

These young ladies who are travelling on the world cruise of the Canadian Pacific flagship the Empress of Scotland, were so struck by the beautiful garments they saw when their tour came round to Japan that they went and purchased one of the most outstanding, namely, the haori. This can be seen from the engraving, is a very beautiful sort of shirt whose folds can be arranged according to taste in almost any shape desired. They are very attractively figured in floral designs and from the general appearance of them, it would not be surprising if these young ladies became the advance guard of a new fashion originating from Japan. Anyway, we make a present of the idea (although not of the garment) to our readers.

FUNDS VOTED BY COMMONS FOR INCREASES IN SALARIES OF CIVIL SERVANTS

(Continued from page 1)

to the wording of some of the telegrams.

Hon. Hugh Guthrie, Conservative House leader, interrupted to say the postal service as a whole had thought when the Minister made his statement that the men were to get \$12 a year increase, and it was a great disappointment to them now to find they were only to get \$42 a year more than they did last year.

STAFFERS MISINTERPRETED These employees must have misinterpreted his words, Mr. Rinfret replied, because he had on that occasion made clear what the exceptions were.

There were about 11,000 in the postal service affected in this way, of whom 3,000 were letter carriers, he said.

READJUSTMENTS

If this class of employees were not getting enough salary, then it should be left with the Postmaster-General to make readjustments or promotions, but Mr. Rinfret submitted it would not be wise under this estimate to treat them differently from the other civil servants.

Mr. Rinfret stated there was no one in the House more friendly to the civil service than he. He would be a civil servant himself and knew their disadvantages as well as their advantages.

WOODSWORTH'S VIEWS

J. S. Woodsworth, Labor, Winnipeg North Centre, thought increases for railway mail clerks and letter carriers would meet with the approval of the House.

It was apparent that often increases of which the House had heard so much were nullified by changes in classification, he said.

During the appropriation of \$500,000 for the new Canadian Legation quarters in Washington, Mr. Woodsworth argued that if it was important to keep up the dignity of Canada in the United States, it was beneath the dignity of this country to underpay its employees. He thought the Government should even now give consideration to representation being made by the rank and file in the service for upward revision of the salary scale.

R. B. Hanson, Conservative, York-Simcoe, N.Y., made a plea for increases for the railway mail clerks. Almost every day the lives of railway men were endangered, he said, and there was a very substantial percentage of accidental deaths among railway mail clerks.

CITY AND MOUNTED POLICE JOIN IN CHINATOWN RAID

Drug Charge Follows Raid on Cormorant Street House

Accused Was Dressed as Woman When Officers Entered

Victoria city and Royal Canadian Mounted Police officers who co-operated in raiding a premises at 348 Cormorant Street in search of opium believed to be there, gave evidence in the city police court this morning that a woman dressed as a man was in possession of the drug. A quantity of opium was found in a little box fixed beneath a table in quarters to which the accused had access.

Claud L. Harrison prosecuted, Frank Higgins, K.C., appeared for the accused.

Corporal Charles Cameron, R.C.M.P., Constables John Jones and Clarke, of the Mounted Police, and Chief of Police John Fry of the Victoria Police, were on the stand in prosecution. They told of entering the premises of the accused on the night of April 1 and of finding the prisoner there, together with the opium.

Mr. Harrison entered as an exhibit the table beneath which the opium was found, its little box, and pointed to the apparent marks of many fingers underneath the top and on the box itself.

Lore Gun, brother of the accused, testified on behalf of the prisoner.

The accused told his story through an interpreter. He disclaimed all knowledge of the opium. He did not explain what he was doing in the full apparel of a woman when officers entered, the place on the night of April 1.

Magistrate Jay remanded the accused until Wednesday next in order to consider the case further before coming to a decision.

PREMIER TO ATTEND ST. GEORGE BANQUET

Society Will Honor England's Patron Saint at Dinner April 27

Arrangements have been completed in connection with the toast to be proposed at the forthcoming banquet of the Royal Society of St. George, which is to be held on Wednesday, April 27, in the Chamber of Commerce Auditorium. Premier Oliver has signified his intention to attend the banquet, while invitations are being sent to members of the Legislature, and prominent citizens, to join in celebration with members of the Society.

The banquet is to be held in honor of the birth of William Shakespeare, the patron saint of the Society.

The honorary president of the society will respond to the toast "The Day We Celebrate." Ira Dillworth, M.A., will deal with the toast "The Immortal Memory of William Shakespeare and Other Illustrious Englishmen and Englishwomen," the toast to the "Imperial Forces, Army, Navy and Air," will be responded to by Colonel Cy. Peck, M.P.P. and V.C.

Members of the ladies' auxiliary will assist the T. E. Veterans' Association in their day on St. George's Day, April 27.

Tickets for the banquet may be secured from Fletcher's Music Store, Spencer's, Druggists, Litchfield's Book Store, Cornwell's Bakery, and at the office of the Griffiths Company, Arcade Building.

Mr. H. E. Donald has returned home to Chemainus after spending a most enjoyable holiday in Victoria.

Mrs. R. L. Gibbs and her daughter, Miss Delta Gibbs, are spending a month's holiday in Victoria. They are staying at Mount Edward Apartments.

COST OF LIVING SHOWS DECREASE

Ottawa, April 14.—Wholesale prices for the average family weekly budget have reached the lowest figures since pre-war days, according to figures compiled by the Federal Department of Labor. Retail figures, however, have not yet balanced this drop, but show a considerable decrease when compared with those of February last or of March, 1926.

The retail figure, based on the average cost of a weekly family budget of twenty-nine staple foods, was \$11.05 in the week ending March 12, as compared with \$11.35 in February and \$11.46 in March, 1926.

In the wholesale prices the index number, based upon prices of 1913 as 100, declined to 145.7 in March as compared with 150.1 in February and 159.1 in March, 1926.

MENUS FOR THE FAMILY

BREAKFAST—Orange juice, cereal, thin cream, milk, coffee, crisp graham toast, codfish.

LUNCHEON—Bean stew, graham bread, chicken and apple salad, spice cup cakes, milk, tea.

DINNER—Roast spareribs, scalloped oyster and mashed potatoes, stuffed kumquat salad, rye bread, canned apricot pie, milk, coffee.

The bean stew suggested in the luncheon menu is a happy combination of fresh vegetables with the dried beans. Any variety of beans can be chosen although limas are used in the rule given.

People who have been tormented for years, even so crippled that they were unable to help themselves—have now been able to rub out their pain through the mighty power of Iona-OTone. Rheuma acts with speed. It should bring relief to the sufferer. It has been proved. It attacks the poison that causes agony and pain in the joints and muscles, and quickly the torturing soreness completely disappears, or it costs you nothing.

While Rheuma is harmless and innoxious, it is on discovery that it has forced rheumatism to yield and disappear.

Get a bottle of Rheuma from Vancouver Drug Co. or any druggist, to-day. It will give you the joyful relief you expect or your money will be returned. (Adv.)

CONSIDERS SHELTER AT ROYAL OAK PARK

Underground Vaults Permitted Now, Cemetery Trustees Decide

A shelter for the public near the entrance to the Royal Oak Burial Park was considered by the Board of Cemetery Trustees in session last night and left in abeyance at present, those who waited for buses or other means of transportation at the site.

The board agreed to waive former regulations in regard to hermetically sealed vaults, and will permit the installation of these underground. No vaults above ground will be permitted. It was explained to proceed with the improvement to the entrance to the Burial Park, and will have the words "Royal Oak Burial Park" printed in gold on a legend over the gates.

The suggested formation of a crematorium here was discussed informally by the board, which sat until a late hour over a busy agenda of routine matters.

Opening Bike Race Of Season At Hill Draws Many Entries

Six Riders Coming From Vancouver For Penwill Cup Race Over Ten Miles

To-morrow will see the opening bicycle race of the season when the Penwill Cup will be at stake at Beacon Hill, commencing at 2 o'clock.

A large crowd of spectators is expected as a very keen interest has always been shown in the past in all cycle races held in the city. The entries received, the fans will be treated to some good fast competition.

Three events will be staged as follows: Boys under twelve, one mile handicap. Boys under sixteen, one mile handicap. Open for Penwill Cup, ten miles (amateur riders).

Chief Fry had consented to officiate as starter for all races, and suitable prizes have been donated by the local cycle dealers, cycle enthusiasts and the Victoria Cycling Club.

The main event promises to be a thriller from start to finish. Six of Vancouver's best riders will face the starter, led by the mainstay, best bet, Jim Davies, who is the present holder of the cup.

All the local contestants have been training hard for several weeks in an endeavor to win the trophy from its present holder, Bill Peden, the local riding demon, promises to ride the race of his life, and will be ably assisted by St. Jackson, Jack McPhee, Basil Peden and others.

Some very good riders will also partake in the junior events, and as the boys

DEATH IN VANCOUVER BEING INVESTIGATED

Vancouver, April 14.—Said to have been suffering from a dose of poison, Miss Priscilla Perez, twenty-one-year-old daughter of A. Perez, died in an ambulance en route to St. Paul's Hospital here last evening.

Police were told Miss Perez had been found by members of her family and aid had immediately been summoned. First aid measures were resorted to without success. Police are investigating.

The body was removed to the city morgue pending decision of Dr. W. D. Brydson-Jack, coroner, as to whether an inquest would be held.

Crystal City, Man., April 14.—Leslie Patchett, twelve, was accidentally killed near here when a .22 calibre rifle with which he and two companions were playing discharged. The boy did not know the rifle was loaded.

CANADA IS TO BUY BUILDING IN THE U.S. CAPITAL FOR MASSEY

Ottawa, April 14.—For the purchase of a building for the Canadian Legation in Washington, \$500,000 was voted by the House of Commons at an early hour this morning.

Premier King, in supporting the appropriation, said it would be more economical to purchase than to rent a building, and moreover, if Canada was to maintain her prestige among the nations of the world represented in Washington, a proper, permanent building should be secured.

Hon. Hugh Guthrie, Conservative House leader, moved to have the amount reduced to \$250,000, but on division the motion was lost fifty-four to nineteen.

The Conservative leader argued \$250,000 would be sufficient to secure adequate rented quarters for the Legation, quite as good as those the newly-appointed Minister from the United States to Canada would secure in Ottawa.

BENNETT'S VIEWS

Hon. R. B. Bennett, Conservative, West Calgary, expressed opposition to the purchase of a building. He said the late Walter Hines Page, one of the greatest of Ambassadors of the United States in Great Britain, had occupied quarters in a hotel and the prestige of the American people had not suffered in consequence. He suggested a reciprocity of compliments: When the United States purchased a building for its Minister to Canada, then Canada might do likewise in Washington.

Premier King, replying, read a letter from the late Walter Hines Page to President Wilson offering his resignation to protest against the lack of permanent quarters for the United States Embassy in London. Mr. King also drew attention to a \$10,000,000 appropriation made this year by Congress for Embassy purposes abroad.

Norwegians for the West

Here are some of the two hundred Norwegians from the Notten, Heddal and Valdres districts of Norway grouped in picturesque attitudes on board Canadian Pacific steamer Montrose, who recently settled in the prairie provinces. In their own country times have been very hard since the war and they have been unable with the best will in the world to make a living. Under the circumstances, the District Council of the region decided that, rather than give them relief from the rates for an indefinite period, it would be better to pay for their transportation

to Canada and to hand each adult the sum of twenty-five dollars for personal expenses on the way. This money is repayable to the council at the option of the beneficiaries. The party was under the personal supervision of Erik Flatebo, chief clerk in the C.P.R. offices at Bergen, who spent a month in the west to investigate conditions there at first hand and who will report on a view to sending in all six hundred of these fine agricultural settlers from the District to the Dominion of Canada.

Telegraph Briefs

Watertown, N.Y., April 14.—The International Paper Company's mill at Glen Park, on the Black River, was swept by fire of undetermined origin yesterday. The plant, which had not been in operation a year, was valued at \$250,000.

Quebec, April 14.—The first two fires to be reported by the forestry service of Quebec province took place yesterday at Chichester and Litchfield, Hull County. Both were caught in good time and little damage was done.

Ottawa, April 14.—In the Senate yesterday the amendments made by Senator Belcourt to the Civil Service Superannuation Act were ruled out of order on the ground they would impose an additional cost on the Treasury, which the Senate has no power to do. The amendments had been moved in the banking and commerce committee, and would have provided for the return to certain civil servants of the four per cent imposed on arrears of payments to the superannuation fund. As the matter was left by the Senate it was expected a conference between the Senate and the Commons would be arranged in order to have some action before prorogation.

Dayton Beach, Fla., April 14.—A hammerhead shark, measuring eleven feet six inches and weighing more than 1,500 pounds, was hooked off the pier here yesterday. It required the efforts of thirty men to land the fish. The hammerhead is not considered a man-eating shark.

Ottawa, April 14.—Without debate the House of Commons yesterday accepted the Senate amendments to three Government bills. In each case the Minister in charge of the bill stated the amendments made by the Upper House were acceptable and did not alter the principle involved. The bills thus finally disposed of were: An Act to Regulate the Sale and Inspection of Economic Poisons; An Act Respecting the Federal District Commission, and an Act to Amend the Three Rivers Harbor Commissioners' Act.

Paris, April 14.—Parisians are complaining of a slump in their billboard art. Extensive building operations have involved the erection of many large "boards" around the construction jobs. Years ago there were few billboard posters, most of which were created by artists of reputation, and it is charged the increase in quantity has been accompanied by a decrease in the artistic quality of the advertising.

Washington, April 14.—When officials searched the printing shop of a southern United States penitentiary for narcotic drugs, they found a book of counterfeit post office money order blanks so cleverly imitated that only an expert could detect them. The post office authorities admit they have no clue to the counterfeiters.

Ottawa, April 14.—The department has no objection to the employment of amputation cases when their physical ailments do not prevent their giving satisfactory services to the department. This was the reply given in the House yesterday afternoon by Hon. Peter J. Veniot, Postmaster-General, to questions whether the Civil Service Commission had given instructions that no amputation cases might try examinations for positions in the postal service at London, Ontario.

Toronto, April 14.—The Toronto Evening Telegram is appealing from the judgment of Mr. Justice Logie and an assize court jury at Woodstock, Ont., awarding \$5,000 damages to the Woodstock Sentinel-Review for libel, in connection with an article published by the paper during the Federal election campaign of 1926.

Ottawa, April 14.—At 3:15 o'clock this morning the House of Commons, in committee of supply, had approved items in the main and supplementary estimates to the extent of \$7,015,599 as follows: Increases to civil service, \$2,700,000; Civil Service Commission, \$243,000; External Affairs Department, \$488,000; High Commissioner's office in London, \$112,000; Labor Department, \$379,000; Trade and Commerce Department, \$3,000,000; Printing, \$450,000.

Moscow, April 14.—A Kharkov dispatch says the Ukrainian labor unions are being flooded with applications from workers who desire to be sent to China to join the Cantonese in their fight against the North-erners. A statement issued by the union declares, however, that while the proletarians of the Soviet Republic are always ready to support the Chinese toilers, morally and materially, it is not recruiting men for such service.

Winnipeg, April 14.—Three hundred children ranging in age from six to fifteen, who were attending an illustrated lecture in the St. Jude Anglican Church Mission Hall here last night marched out of the hall without a semblance of disorder when fire broke out in the building. The flames, which were eating their way through a part of the walls, were subdued without serious damage to the building.

MUCH LIQUOR SEIZED IN NEW JERSEY HOME

Newark, N.J., April 14.—A disgruntled butler who turned informer a day after his dismissal brought prohibition authorities in a secret raid on the palatial home of J. Bayard Kirkpatrick, lawyer and manufacturer, in West Caldwell, where liquor, wine and champagne valued at \$50,000 were seized.

Colonel Ira L. Reeves, state prohibition administrator, in announcing the confiscation made yesterday, said he believed 145 quarts of Scotch whisky found in Kirkpatrick's cellar were part of the cargo alleged to have been landed in Raritan Bay weeks ago from the steam trawler Kilmarnock. About 1,000 cases of that shipment has been seized and the crew is free on bail awaiting a hearing here.

LUMBER PRICES IN B.C. STAGE 50-CENT RISE

Export Demand Better While
Domestic Market Rules Firm

Vancouver, B.C., April 14.—Better demand and a firmer tone, following curtailed production, account for an advance of 50 cents on merch base reported by lumber exporters here. They predict higher prices in the near future. Domestic prices are also firm with rapidly increasing demand owing to fine weather and spurt in building throughout Western Canada. Exporters are preparing to ship heavily to Australia and Japan despite high rates demanded for bottoms during May.

Log Prices.—Fir, \$10, \$15, \$20; hemlock, \$11; cedar, \$7, \$15, \$23; spruce, \$12, \$20, \$30; all exchanged. Export Prices.—Merch base, \$18, an increase of 50 cents; Jap 60x40 squares, \$20; fir, 4x4, \$21; hemlock, \$19 to \$20; unchanged.

Domestic Prices.—Average schedule Atlantic \$48, fir, \$18; hemlock, \$16.50 to \$17; common dimensions, straight cars, 44-off rail B; all unchanged.

The dearth of bottoms continues, only three charters being posted here, as follows: North Bend, American schooner, 341 tons, from North Pacific to Australia during May on private terms for Hirsch Lumber Company; Edna Christenson, American steamer, 1,321 tons from Collier and North Pacific to Buena Ventura during May on private terms for J. J. Moore.

STRONGEST ON RIVER

Portland, April 14.—With a number of mills in the Columbia River district closed last week, as an aid to stronger prices, the lumber market here is at the strongest point it has been since the first of the year, and in all lines there is being manifested a continued better feeling. The whole market is firm and buying is difficult in many items. Atlantic Coast markets improved as the scarcity of tonnage became more pronounced. Quotations to-day, which are generally unchanged, are: Atlantic, \$17@18; California, \$16-@16.50; large squares, \$21; medium, \$20; hemlock, \$20; common dimension in straight cars, \$2.50@2.62 off the list.

Nearly all the Columbia River logging camps are up to capacity in operations, and although the supply is declared by millmen to be plentiful, the week-end saw the river almost cleaned up, especially in yellow fir. Hemlock is finding strong call. Shingle grades of cedar are still weak. Prices, which some of the mills complain of as being too high, are as follows: Fir, \$12, \$17 to \$22; red fir, \$14 to \$16; hemlock, \$11 to \$12; cedar, \$14 to \$16.

HARBOR LOGS STEADY

Aberdeen, April 14.—Grays Harbor log prices remain unchanged, but a slightly more optimistic tone to the market was apparent, according to call. Shingle grades of cedar are still weak. Prices, which some of the mills complain of as being too high, are as follows: Fir, \$12, \$17 to \$22; red fir, \$14 to \$16; hemlock, \$11 to \$12; cedar, \$14 to \$16.

Although loggers and lumbermen made no predictions of an immediate increase in prices, they were positive that the bottom prices of the present depression had been reached.

Log prices are as follows: Fir, \$12, \$18, \$24; hemlock, \$9 to \$12; spruce, \$12, \$19, \$30; cedar, \$8, \$11, \$17, \$30; camp run, \$14 to \$16.

SOUTH SOUND STRONGER

Tacoma, April 14.—Continued improvement in the lumber market was reported to-day by local dealers. They declared there is increased strength in most markets, although the volume of business has not reached the high mark expected. Prices generally are on a better basis, some items showing an advance of \$1, and others 50 cents, while many show no change whatever.

In her garden and fired a bullet from a .22 calibre pistol through her neck. The boy told the coroner he never had had a toy pistol, but knew the real one which he had found Tuesday on a shelf in the kitchen would "go off" if he pulled the trigger. "Now I can get matches," he said somewhat boastfully.

Coroner Shull announced he would not hold an inquest and no other local authorities have made any move in the case.

Duke of York Visits Tasmania

Sydney, Australia, April 14.—After a triumphal tour of Queensland, the Duke and Duchess of York returned to Sydney.

In heavy rain, they attended the opening of Australia's premier fair, the Sydney Agricultural Show, which in past years has attracted over 100,000 visitors on each of the two big public days during the holidays, Good Friday and Easter Monday.

nearly one-third the distance between Puget Sound and Chicago, are covered by this Giant of the Rails in hauling CHICAGO, MILWAUKEE & ST. PAUL passenger trains. No other transcontinental railway has more than an insignificant fraction of this mileage under electrical operation. Upon this foundation rests the claim of The Milwaukee that its passenger trains are the most comfortable to be found anywhere. No smoke, no soot, no cinders, no jarring — smoothness of train operation over four mountain ranges, are combined with roomy berths, a large-size observation car, courtesy and attention on the part of train employees, and meals that satisfy. The result is Milwaukee Service, synonymous with comfort.

T. Cantley, M.P., Says Secret Freight Rate on Coal Exists

Ottawa, April 14.—Colonel Thomas Cantley, Conservative, Pictou, N. S., addressing the House of Commons yesterday, said a secret rate existed on foreign import coal, a rate which was the lowest in Canada.

Colonel Cantley said, "It has been discovered that for a number of years there has been in existence a secret rate on foreign import coal of 34 cents per gross ton for 140 miles. This rate is 12.2 per cent of the class to which the traffic belongs, or 3.4 mills per ton mile and is the lowest rail rate in force in Canada."

It would be remembered, Colonel Cantley proceeded, that in January of last year members of the House had asked the Government to put into force a special rate of 2 1/2 mills per ton mile on a small tonnage of coal from Nova Scotia to Montreal as a temporary relief. This request was refused and the rate had never been available to Nova Scotia coal.

Colonel Cantley's statement brought Hon. C. A. Dunning, Minister of Railways, to his feet with the declaration the law did not provide for secret rates. Mr. Dunning wanted further information and the number of the schedule.

Colonel Cantley replied he could not give the number of the rate schedule, but that the traffic originated at Point Edward, Ont., and was on shipments to Hamilton. Originally the rate had been made with the Grand Trunk Railway.

"So far as I know," added Colonel Cantley, "the Board of Railway Commissioners does not know anything about it. No one else knows anything about it except the railway company and the parties enjoying the rate. It has been in existence for ten or twelve years or more. It was originally made with the Grand Trunk Railway and has been continued up to the present time. That is my information, and I think it is correct."

MATHESON ATTACKS GOVERNMENT POLICY

Capt. R. P. Matheson, ex-Reeve of Esquimalt, delivered a sharp attack on the Provincial Government's policies in the handling of natural resources when he spoke before the McBride Conservative Club last night.

Mr. Matheson quoted figures to show that the forest resources of the Province and of Vancouver Island particularly are disappearing at an alarming rate and that no industry is in sight to take the place of the huge lumbering operations, which are carried on here now.

Man Loses His "Grouch," Wife Happy

"There is nothing I haven't tried for constipation, but until I heard of Adlerika, nothing would help me. Now, I can eat and sleep and have got rid of the grouchy feeling I used to have," Jack Ryder.

Because Adlerika acts upon BOTH upper and lower bowel, it gives the system a REAL cleansing, and clears out old poisons which usually cause sour, gassy stomach, nervousness, sleeplessness, headache. Just ONE spoonful stops GAS, and relieves that full, bloated feeling so that you can eat better and sleep better. Even if bowels move daily, Adlerika brings out much additional poison which you never guessed was in your system and which may have long caused trouble. No matter what you have tried for stomach and bowel ailments, Adlerika will surprise you. At leading druggists. In Victoria at David Spencer's and other druggists. (Advt.)

NOTED EDUCATIONIST TO SPEAK MONDAY

Dr. E. P. Cubberley of Leland Stanford to Attend Convention

Victoria will be fortunate in being able to hear during the coming week Dr. Elwood P. Cubberley, one of the most distinguished educationists of the Pacific Coast. Dr. Cubberley's approaching visit is under the auspices of the British Columbia Teachers' Federation, who annual convention will be held in Victoria during the coming week.

The opening meeting of the convention to be held in the First United Church on Monday at 8 p.m., will be addressed by Dr. Cubberley, his subject being, "The Increasing Size of Our Educational Problem." The subject is of interest to citizens as well as teachers, and the federation has planned an open meeting so that all who are interested may have the opportunity of hearing what a specialist in educational administration has to say about the most outstanding problem of the day.

Dr. Cubberley has had a distinguished career in the field of education. He is present dean of the school of education of Leland Stanford University, having served previously as superintendent of schools in San Diego, California. He has rendered conspicuous service as director of important school surveys and as a member of the Educational Research Commission.

Dr. Cubberley addressed several of the meetings of the annual convention of British Columbia teachers, but the opening meeting of the convention on Monday, 4 p.m., has been planned as a special feature of the convention programme, and to this meeting the public is cordially invited.

NORTH REJOICES OVER MINE DEAL; EXPECT BIG MOVE

The action of the Consolidated Mining & Smelting Company of Montreal and Trail in entering the Portland Canal mining camp through the purchase last week of the George Copper mine on the Bear River, is hailed throughout a northern British Columbia as an even more important development than what happened on the Salmon River when the Guggenheims made a mine of the Premier, according to Harry Heywood, of Stewart, B.C., head of the Terminus Mine, who has arrived in Victoria to buy Spring supplies.

"The people up on the Portland Canal feel that the future of their district is assured now that Canada's greatest and most successful mining corporation has decided to enter it," Mr. Heywood said. "As a result northern B.C. is starting out this Spring with more encouragement and soundly based optimism than it has yet had."

"One of the important features is that the Consolidated going up the Bear River has drawn attention to the fact that the Portland Canal mineralized area is much greater in extent than many persons outside may have believed. The Premier, Big Missouri, B.C. Silver and others have shown up the possibilities on the Salmon River. The George Copper development will mean the same to the Bear River. The deal last week has switched the centre of interest to the Bear River because of the certainty that if the George Copper shows up as well as expected, the Consolidated, through its P.B. affiliation, will construct a railway up the Bear River, which will solve the transportation problem for the George, and the adjacent mines such as the Rufus, Terminus and Vancouver, which until now have been somewhat isolated for heavy shipments."

Saanich Trustees Tighten Control of Examinations

Saanich pupils who intend to sit for high school entrance examinations are required to fill in two sets of notification forms, one for Saanich and one for the Victoria authorities. Hitherto the Victoria form has been passed upon by the Saanich School Board.

The Saanich Trustees last night decided that principals of the Saanich schools will be required to send the Victoria forms to Royal Oak for approval, bypassing the city's forms direct to the Victoria authorities.

\$110,000 Voted For Canada's Offices In City of London

Ottawa, April 14.—When the vote of \$110,000 for the office of the High Commissioner of Canada in London was before the House last night C. H. Cahan, Conservative, St. Lawrence-St. George, Montreal, asked if it was the intention of the Government to appoint a diplomatic agent in London or to place diplomatic responsibilities upon the High Commissioner.

Hon. R. B. Bennett, Conservative, West Calgary, asked if Canada House in London was to be a magnificent home for an ambassador or the centre for Canada's administration overseas.

LIFE MEMBERSHIP IN MISSIONARY SOCIETY

The Easter thank-offering meet-
ing of the Women's Missionary Soci-
ety of the Oak Bay United Church
was held in the schoolroom with a
splendid crowd in attendance.

An excellent programme was pre-
sented, the outstanding number be-
ing an address on India given by
Mrs. Chave, who also delighted the
gathering with a beautiful song
with guitar accompaniment. Mrs.
Sinnott contributed a solo, and Miss
Willena Graham a recitation. A
pageant entitled "Strange Ways,"
was played by the C.G.I.T. groups,
under the direction of Mrs. Guy, and
a chorus by members of the Mis-
sion Band. The result of the envelope
collection, which amounted to the
gratifying sum of \$86, was an-
nounced at the close of the meeting.
At the regular meeting of the
society held the day previous, a
very pleasing ceremony took place,
when Mrs. Gardner was presented
with a life-membership from the so-
ciety.

OUTSTANDING WOMEN TO COME HERE FOR JUBILEE GUIDE CAMP

**Dame Katherine Furse Among Visitors From England
Expected for Camp From July 14-21**

Dame Katherine Furse, G.B.E., R.R.C., Assistant Chief Com-
missioner of Girl Guides for Great Britain since 1922 and one of
the most outstanding women of the Old Country, will visit Victoria
in July. She has accepted the invitation to attend the Dominion
Jubilee Girl Guide Camp to be held in this city from July 14 to 21,
according to an announcement made by Miss E. F. Mara, Provin-
cial Commissioner, this morning.

ORGANIZED V.A.D.'S AND "WRENS"

Dame Furse is one of the notable Englishwomen who came to
the front during the war. In September, 1914, she was made
Commander-in-Chief of the Voluntary Aid Detachment, and proceeded
to France where she organized the V.A.D.'s who did such splendid work
in hospitals and canteens.
After organizing them in France she returned to London in January,
1915, and started the V.A.D. Department there under the Red Cross,
running it with conspicuous success until 1917, when she resigned.
Her unusual abilities as an organizer and leader of women were
in the formation of the Women's Royal Naval Service, more
famously known as the "Wrens," of which she was director from 1917 to
1919.

Other distinguished visitors from abroad who will attend this first all-
Canadian camp ever held will be
Miss Montgomery, Imperial General
Secretary of the Girl Guides, and
Miss Behrens, former head of "Fox-
lease," who will arrive from an Aus-
tralian tour at the end of June to
attend the camp. It is also possible
that Dame Alice Godman, D.B.E., and
her two daughters, both of whom are
Guides, will attend.

From other parts of Canada will
come the Chief Commissioner, Mrs.
Warren of Toronto, Dr. Norma Ford,
naturalist, of Toronto University, and
Dr. Edna Guest, medical ad-
viser, who will leave for the West.
Miss Mara will be commandant of
the camp, which is to be held at the
University School, the grounds and
building having been generously
loaned for the occasion by the gov-
ernment. Three hundred are ex-
pected to attend, including commis-
sioners, guides and patrol leaders
of fourteen years and under. The
camp will be staffed by British Col-
umbians.

**"ETERNAL FLAPPER"
MARRIED AGAIN**

**Edna Wallace Hopper Re-
united to Former Husband,
A. O. Brown**

New York, April 14.—After a sepa-
ration of more than thirteen years
Edna Wallace Hopper, sixty-six-year-
old "eternal flapper," has been re-
united with A. O. Brown, whom she
married in 1909, and will leave soon
for Europe on a "second honeymoon."

Miss Hopper and Brown had not
seen each other since their separa-
tion until they met ten days ago at
a party given by "a very dear friend"
of both. Both denied they had been
divorced.
"We will not resume where we left
off," the former wife of De Witt
Hopper said as she and Brown cele-
brated their reconciliation at a
Broadway night club, "because we
had each other when we parted and
we will begin all over again."
Miss Hopper announced that they
would leave for Europe when she
finishes the remaining seven weeks
of a vaudeville tour.

**Home Cooking Sale—The Ladies'
Auxiliary of St. Alban's Guild**
will hold a sale of home cooking
Saturday morning in the basement
of David Spencer's Limited.

YOUR BABY and MINE
by MARY MEYER ELDRED

Mrs. Eldred will be glad to answer all questions pertaining to babies
and children. A stamped and self-addressed envelope forwarded to
this office will bring a personal reply.

Anxious mother writes: "You have
helped others, will you help me? I
have a baby six months old and he
takes six ounces of milk every three
hours (patent food). I want to know
if he doesn't drink any more than
four ounces should I force him to
drink the rest of the milk, and also
should I wake him up if he is asleep
to feed him?"

"He weighs twenty pounds now."

ANSWERS
It is plain that the baby is at least
temporarily sickened by this food
and it would be useless to force him
to take any larger amount.

It would be far better to get him
as rapidly as possible on fresh cow's
milk diluted with water and with
some sugar added, and unless the
baby is really ill, I feel sure he will
take the right amount of this.

For information on formulas and
how to feed a baby of this age, write
me for the feeding leaflet, which will
be sent on receipt of a self-addressed
and stamped envelope.
If the baby's sleeping hours are
right, he will not be asleep at a feed-
ing period, so it becomes a question
of putting him down to take his nap
at the correct time, so he will have

Mary D. Millar to A. J. W. Mendum Tuesday

Tuesday afternoon, April 12, at
2505 Empire Street, the wedding of
Miss Mary Dickie Millar to Mr. A.
J. W. Mendum, was celebrated amid
the happiest of surroundings. Rev.
Samuel Cook of Vancouver, an old
friend of the bride, performed the
ceremony, which was attended by a
number of friends and relatives of
the bride and groom.

The bride was charmingly gowned
in a dress of pique yellow crepe
de Chine with overtones of geor-
gette and trimming of silver flowers.
She carried a bouquet of Ophelia
roses and tulips, and wore a wreath
of orange blossoms in her hair. Act-
ing as bridesmaids were Miss Mabel
Wallis and Miss Marjorie Mendum,
sisters of the groom. The former
wore a becoming dress of blue de
rose silk crepe with flounces of
cream lace, while Miss Mendum was
very charming in a pretty dress of
turquoise blue crepe de Chine with
silver trimmings, both wearing band-
eaux of silver leaves and carrying
bouquets of pink and white carnations.
Mr. James Johnson ably sup-
ported the bridegroom.

The groom's gift to the bride was
a Lucille fox fur, to Miss Wallis a
silver bracelet set with sapphires,
while Miss Mendum was the recipi-
ent of a gold brooch with ruby set-
ting. To the best man, the groom
gave a pair of cuff links. The
bride's gift to the bridegroom con-
sisted of a gold wrist watch.

Immediately after the ceremony, a
reception was held at Alexandra
House, a large company there as-
sembling to do honor to the bridal
couple.

Mrs. Mendum Sr., who was becom-
ingly dressed in gown of silver
gray crepe de Chine with hat en
suite, was assisted in receiving the
guests by Mrs. Millar, who was at-
tired in a lovely dress of Copenhagen
blue with hat to match.

The bridal party received the con-
gratulations and good wishes of their
many friends under an arch beauti-
fully decorated in white and green-
ery, and surrounded by the time-
honored wedding bells.

The reception over, the party ad-
joined to the dining room, which
had been artistically decorated by
friends of the bride, where an excel-
lent luncheon was served, presided
over by Rev. R. W. Lee of the Fair-
field Union Church. Luncheon over,
the chairman, in a very happy speech,
extended a hearty welcome to the
assembled guests, and paid a warm
tribute to the happy couple, who are
both active members of his church.

Later a musical programme was
given. Miss Moxey played the accom-
paniments, and among those con-
tributing were Mrs. E. Woodward,
who sang two delightful numbers,
Mr. Alf Adams, who sang "Because
—Love Song," while Mrs. Gordon H.
Jolliffe, a sister of the bride, sang
very sweetly, "O Promise Me."

The happy couple left for Portland,
where the honeymoon will be spent,
the bride traveling in a dress of
powder blue crepe de Chine, trimmed
with sand georgette and hat to match,
and coat of blue polka dot. Later
at the home Mrs. Mendum Sr., many
friends availed themselves of the in-
vitation to inspect the gifts, which
were numerous and beautiful.

On the return to Victoria, Mr. &
Mrs. Mendum will take up their
residence on Olive Street. Amongst
the out-of-town guests attending
were Mr. and Mrs. R. Venn, Miss
Cissy Venn and baby Joan Venn of
Vancouver.

District W.C.T.U.—Owing to the
regular meeting day falling on Good
Friday, the district W.C.T.U. will meet
on April 22.

GRIPPING MELODRAMA OF LIMEHOUSE COMES TO THE COLUMBIA

Much of "While London Sleeps" is a picture opening this evening at the Columbia Theatre, was actually filmed while London slept, although it was taken in the daytime. This apparent paradox came about through the fact that Hollywood, where the picture was made, is eight hours behind London in receiving the morning sun. When the actors were beginning work at 9 o'clock, Londoners were hurrying home for their evening meal. By the time they had finished at 6 o'clock it was 2

"While London Sleeps" is a gripping melodrama of the struggle between Limehouse, the world capital of crookdom, and Scotland Yard, dean of detective agencies.

ROMANCE OF SEAS FEATURED IN FILM ON VARIETY SCREEN

That most human of dreams—the desire to get away from the conventional and confining details of everyday life and to roam the high seas in search of romance, adventure or loot—can be realized by the clerk, the storekeeper, the manual laborer, the stenographer or the bank president at the Variety Theatre to-day where F. B. O.'s smashing drama "Breed of the Sea" is showing.

Peter B. Kyne, famous for his virile sea stories has never written a more impressive and powerful tale than his "Blue Blood and Pirates," from which the picture was adapted by J. G. Hawks and J. Grubb Alexander.

Ralph Ince adds to his laurels as one of the most versatile stars in motion pictures by directing the production superbly and by taking the

Where Men Are—In the Ballet

When you go for a cruise around the world, your time is fully occupied with all the strange and rare sights, the new countries, the varied changes that meet your eyes, but if you are one among a care-free assembly of globe travelers you add to these your own diversions and this is what is happening here among the passengers on the Canadian Pacific flag ship Empress of Scotland. The men have decided that it is not only the ladies who can be graceful and attractive, and you see them rigged out in the airy fairy garments of the ballet. At the extreme left is the premiere danseuse who is otherwise unnamed, but the others have chosen designations that are supposed to describe them. Thus from left to right we have: Blossom's Cello, Tricia, "Fanchon's Heenan," Pansy, Rosebud, Birdie and Chlorine. Perhaps what they may lack in beauty, they make up in charm. In any case, they seem quite happy.

GYRO CLUB WOULD PERPETUATE LIST OF FAMOUS BATTLES

Eight Leading Engagements of Canadian Corps Should be Preserved, it is Stated

Special observance of the anniversaries of eight outstanding battle actions of the Canadian Expeditionary Force in the Great War, suggested by the Victoria Gyro Club on a Dominion wide basis, was drawn to the attention of the City School Board last night in a communication from the club.

In 1921 the Gyro Club here origi-

ated the plan of commemorating the tradition of Canadian heroism overseas, by special anniversaries which would be marked by appropriate programmes. Writing to the school board authorities last night the club asked what action had been taken locally on the plan.

Discussion before the board was brief, and favorable to the suggestion that attention be paid to the engagements which brought imperishable glory to Canada's forces overseas. Municipal inspector George H. Deane doubted if the anniversaries could be signified by special programmes in the schools, suggesting that reference be made to the engagements in conjunction with the English and Canadian history studies on the curriculum. Trustee W. T. Straith favored special efforts to perpetuate the memory of outstanding engagements in which the Canadian Corps took part.

A list of the eight principle actions was given as follows: Vimy Ridge, April 9, 1917; Ypres, April 22, 1915;

Hindenburg Line, September 2, 1918; Somme, Courcellette, September 13, 1916; Canal du Nord, Bourlon Wood, September 27, 1918; Cambrai, October 11, 1918; Passchendaele, November 6, 1917, and Mons and Armistice Day, November 11, 1918.

NEWS IN BRIEF

The regular monthly meeting of Ward Four Liberals scheduled to take place to-night at Liberal Headquarters has been postponed.

The contract for supplying thirty-four police uniforms, was awarded to W. A. Sprinkling, whose bid for the work was \$1,884.

At the meeting of the Real Estate Board yesterday, at noon, it was decided that for the Easter period the offices of the members should remain closed from Thursday evening until the following Tuesday morning.

The Victoria British Israel Association (non Jewish) will meet on Monday evening at 8 o'clock in The King's Hall, 571 Yates Street. E. E. Richards will give an address, his subject will be "The Remains of Israel, by the Divine Potter, Jer. 18."

The regular monthly meeting of Victoria Lodge, No. 1, Ancient Order United Workmen, will be held on Friday evening at 8 o'clock in K. of C. Hall, Government Street. After the meeting a social will be held. Sister lodges are cordially invited to attend.

Alderman J. L. Mara, chairman of the fire wardens of the City Council, will be the speaker over radio CFCF at 7:30 p.m. to-day on the city's program of weekly ten-minute talks on civic affairs. Alderman Mara will deal with Victoria's record low fire loss, one of the brightest features of the city's attraction to new settlement.

In the desk sergeant's report for the month ending March 31, convictions in the police court were tallied as having reached a total of 159 during the month, with one case discharged. There were 171 patrol calls answered. In fourteen accident cases first aid was rendered. Fines and costs collected totaled \$1,782 and \$23.50 respectively.

Those who were present at the last affair given by the Ambassadors Club will be pleased to know that they will hold another dance in the K. of C. Hall on Monday, April 25. Elmer Knight and his Terriers will supply the music and dancing will be from 8 to 12 o'clock. Tickets can be obtained from those in charge of the dance, Gordon Bevan, Douglass and Neil Grant, or from any member of the club.

Last evening No. 4 Company, Canadian Scottish, 1st Battalion, were hosts at a dance at the Armories under Company Commander P. R. M. Wallis, M.C. About 200 couples attended and spent an enjoyable time. A five-piece orchestra furnished the music, and refreshments were served by the N.C.O.'s and the men of the battalion.

As an act of sympathy towards one of their fellow members, seven members of the City Temple Y.M.C.A. have rebuilt the garage of Anthony Lumley, which was burnt down last Saturday. Mr. Lumley lost his thirty-three bedrooms for students, housekeeper's rooms, etc.

Entering on its third day in the Supreme Court here, the action of Wall versus Wells and Hill continued to-day with the hearing of commission evidence taken in New York and Ireland. The action is one by plaintiff, a British Limber Holder, for the recision of the sale of seven timber limits in British Columbia to defendants and for \$64,000 in damages for alleged misrepresentation.

An exact replica of the west front of the new Anglican cathedral has been made by R. Boyd MacGill, local commercial artist and designer. Made in cardboard, the model has been in the hands of the architect, J. C. M. Keith and it is now on view in the windows of the B.C. Electric, Douglas Street. The artist has taken great pains over the model and everything is exactly the same as the church will be when completed. Small figures of people are even shown coming from and going into the church. Beautiful colors are seen in the windows of the model. The model has been presented to the cathedral committee in the hope that it will help them with their fund to build this great edifice.

WILLIAM HEAD TO HAVE NEW OFFICE

Customs and Quarantine Officers Will Move From Temporary Quarters This Year

Customs officers and quarantine officials at William Head quarantine station will this year shift from temporary quarters now occupied by them into a permanent residence and office building. The new building has been already been called for construction of the new building which will house customs and quarantine men engaged in the inspection of deep sea vessels calling at the station. Tenders must be in by May 4 and it is expected that construction will commence soon afterwards.

Raynor Denies Report of \$500 Contribution

Ident. P. A. Raynor of the Navy League and head of the Boys' Naval Brigade Band, issued a statement yesterday denying that the Army and Navy Veterans had put up \$500 towards the expenses of sending the band on its trip to England. He said that the report had got out as a rumor and that the Navy League had received no official information that such a contribution was being made. It is understood the association will be asked to back a bond to that amount.

SPECIAL SERVICES

FOR GOOD FRIDAY

Choirs of St. Andrew's and First United Will Render Musical Programmes

Sacred cantatas appropriate to the Pentecost festival will be rendered by a number of the Anglican churches of the city to-morrow. At Christ Church Cathedral on Good Friday evening at 8 o'clock the choir will present a new cantata, "The Fulfillment," by Davan Welton. The solo parts will be assigned to Sidney White, baritone; Sidney Petch, tenor; and Mabel Leighton, soprano, and W. J. Davis as organist and choirmaster.

This beautiful work, as may be gathered from its title, is designed to illustrate the fulfillment of the prophetic utterances of the Old Testament. In the passion scenes appropriate passages from the Old Testament, assigned to The Voice, precede each incident of the story as given in the New Testament, and where opportunity offers, choral music in reflective or contemplative mood forms a commentary. The Afterward announces the Divine Will accomplished and the Saviour committed to rest from His earthly labors.

ST. JOHN'S CHURCH

There will be morning prayer on Good Friday at St. John's Anglican Church at 10:30 a.m., when the preacher will be Rev. F. A. P. Chadwick, rector of St. John's.

In the choir will render the Passiontide cantata, "The Darkest Hour," by Harold Moore. This very beautiful work consists of four scenes depicting the scriptural record of our blessed Lord's Passion. Scene I is "Gethsemane"; scene II, "The Trial Before Caiaphas and Pilate"; scene III, "On the Road to Calvary"; scene IV, "Calvary."

The choir of St. John's Church, under the able direction of G. Jennings Burnett, has been working very hard during the past few weeks in preparation for the Good Friday and Easter music, and should give a very inspiring rendering of this great cantata on Good Friday evening. The solo parts will be taken by Misses Moore, Anderson and Hutton, and Messrs. Palmer, French, Smith and Cox.

The sacred cantata, "Atonement," will be sung on Good Friday evening by the choir of St. Andrew's Presbyterian Church under the leadership of Jesse Longfield. The descriptive powers of R. Dean Shure, who has displayed with great eloquence in this cantata, and he tells the Easter story very beautifully in music that does not fall to the level of a feature part in a big motion picture, with probable contracts for stardom in the movies, theatrical engagements and other opportunities for fame and fortune await the winner.

Aside from the honor of being declared the most beautiful woman in the world and a chance at the highest money awards ever offered in a similar contest, possibility of a feature part in a big motion picture, with probable contracts for stardom in the movies, theatrical engagements and other opportunities for fame and fortune await the winner.

Theatrical producers and motion picture magnates are constantly in search of beauty, plus brains, and this is always opportunity in either branch of the profession for girls who are sincere and conscientious, and who are possessed of an average amount of intelligence with good looks.

Contrary to the repeated expression, "beautiful but dumb," Willett L. Roe, managing director of the pageant, claims that the majority of participants in past years have been well above the average in intelligence.

More than half of those who have been prize-winners at these beauty shows have since achieved success on the stage and screen, and it is impossible to succeed in either of these callings without brains," Mr. Roe said.

OBITUARY

The funeral service for the late Mrs. Josephine Mary Glover Cameron, widow of Rev. G. R. G. Cameron of 146 Government Street, who passed away in this city on April 11, was held yesterday afternoon, April 13, at 1 o'clock in the parlors of the S. J. Curry & Son Funeral Home. The service was assisted by Rev. Daniel Walker and Rev. Henry Knox conducted an impressive service. Many sympathetic friends attended, among whom were Rev. Dr. W. L. Clay, Rev. T. W. Gladstone and Rev. W. J. Knott, representatives of the Ministerial Association. The remains were forwarded on the afternoon boat to Vancouver for cremation.

There passed away in Vancouver yesterday morning, William James Anderson. The late Mr. Anderson was born in Ireland forty-five years ago, and had been resident in this city for the last sixteen years. He leaves to his wife, his widow, of 313 Haultain Street, and three sons, James, Alexander and William, all living at the family residence. Funeral services will be held Saturday afternoon, April 16, at 2 o'clock at the S. J. Curry & Son Funeral Home, corner Quadra and Broughton Streets. Rev. J. S. Patterson will officiate, after which internment will be made in the Royal Oak Burial Park.

At the family residence, 1449 Wilmut Place, the death occurred last evening of Mrs. Annie Elizabeth Currie, wife of Charles E. Currie, aged seventy years. The late Mrs. Currie was born in County Antrim, Ireland, and had been a resident of this city for the last twenty years. The funeral will be held from the residence on Saturday at 3:15 o'clock proceeding to St. Mary's Church, where Rev. A. de S. Nunn will conduct services at 3:30 o'clock. Interment will be made at Ross Bay cemetery. The funeral arrangements are in the hands of the B.C. Funeral Co.

Police Estimates Down

A steady drop in the estimates of the Victoria Police Department has been maintained this year, stated Mayor J. C. Pendray today, after a final session of the City Police Commission yesterday afternoon on its budget for the year. A few years ago \$111,000 was the estimate of the department, but the present estimate is \$102,070. Assessed for the purpose, while this year ratepayers will be asked for approximately \$1,000 less, the budget standing at \$102,070. BEAUTIFUL GIRLS HERE MAKE TEST POSES FOR CAMERA

Art Critics Pass Fourteen as Having Attractions Required For "Miss Victoria"

Fourteen of Victoria's most beautiful girls went before the camera yesterday afternoon and last night in their first bathing beauty tests, preliminary to the elimination contest to be staged at the Dominion Theatre beginning April 25, to pick "Miss Victoria" from the international beauty contest to be held at Galveston in May.

Those who posed yesterday were passed on by the art critics as fulfilling all the beauty requirements necessary for the contest. A number of other girls in Victoria and up the island, who are noted for their charm, have applied, and they will be filmed during the next couple of days.

Aside from the honor of being declared the most beautiful woman in the world and a chance at the highest money awards ever offered in a similar contest, possibility of a feature part in a big motion picture, with probable contracts for stardom in the movies, theatrical engagements and other opportunities for fame and fortune await the winner.

Theatrical producers and motion picture magnates are constantly in search of beauty, plus brains, and this is always opportunity in either branch of the profession for girls who are sincere and conscientious, and who are possessed of an average amount of intelligence with good looks.

Contrary to the repeated expression, "beautiful but dumb," Willett L. Roe, managing director of the pageant, claims that the majority of participants in past years have been well above the average in intelligence.

More than half of those who have been prize-winners at these beauty shows have since achieved success on the stage and screen, and it is impossible to succeed in either of these callings without brains," Mr. Roe said.

OBITUARY

The funeral service for the late Mrs. Josephine Mary Glover Cameron, widow of Rev. G. R. G. Cameron of 146 Government Street, who passed away in this city on April 11, was held yesterday afternoon, April 13, at 1 o'clock in the parlors of the S. J. Curry & Son Funeral Home. The service was assisted by Rev. Daniel Walker and Rev. Henry Knox conducted an impressive service. Many sympathetic friends attended, among whom were Rev. Dr. W. L. Clay, Rev. T. W. Gladstone and Rev. W. J. Knott, representatives of the Ministerial Association. The remains were forwarded on the afternoon boat to Vancouver for cremation.

There passed away in Vancouver yesterday morning, William James Anderson. The late Mr. Anderson was born in Ireland forty-five years ago, and had been resident in this city for the last sixteen years. He leaves to his wife, his widow, of 313 Haultain Street, and three sons, James, Alexander and William, all living at the family residence. Funeral services will be held Saturday afternoon, April 16, at 2 o'clock at the S. J. Curry & Son Funeral Home, corner Quadra and Broughton Streets. Rev. J. S. Patterson will officiate, after which internment will be made in the Royal Oak Burial Park.

At the family residence, 1449 Wilmut Place, the death occurred last evening of Mrs. Annie Elizabeth Currie, wife of Charles E. Currie, aged seventy years. The late Mrs. Currie was born in County Antrim, Ireland, and had been a resident of this city for the last twenty years. The funeral will be held from the residence on Saturday at 3:15 o'clock proceeding to St. Mary's Church, where Rev. A. de S. Nunn will conduct services at 3:30 o'clock. Interment will be made at Ross Bay cemetery. The funeral arrangements are in the hands of the B.C. Funeral Co.

AT TAGOMA MEET

President Tomlin Urges Strong Support For District Governor Beatty

The forthcoming Rotary District Convention at Tacoma was the chief subject of discussion at to-day's luncheon of the Rotary Club at the Empress Hotel. District Governor J. H. Beatty, President E. Tomlin and others, pointing out the necessity of a strong delegation being in attendance from Victoria.

Frank Sehl gave a brief address on the development of acquaintance as an opportunity for service. James H. Fletcher and Percy Scourah reported on the organization meeting held last night in Courtenay, being optimistic as to the probability of the creation of a Rotary Club in that thriving district. Delegates from Victoria, Vancouver and Nanaimo had taken part in the proceedings.

Restoration of the Rotary Fountain at the Malahat will be undertaken immediately by the club, the work including repairs to concrete and tile and much painting and enamel. President E. Tomlin offered to donate all cement required, and H. J. Pendray will give the paint and enamel.

OBSERVE HOLY DAY

Khalsa Panth, Most Sacred Day, Celebrated at Local Temple Yesterday

Several hundred East Indians gathered at the Victoria Sikh Temple yesterday to celebrate Khalsa Panth, their most sacred day. A number of interested local citizens also attended the services presided over by Gopal Singh, local high priest.

Visitors to the temple before being allowed to enter were asked to take off their shoes and replace them with wooden clogs. The inside of the temple was decorated with flowers and gaily colored cloths. Inside the high priest stood waving a large white fan over the sacred Guru Granth Sahib, the Sikh holy book. Over the book was an elaborate yellow canopy. The thirteenth of April was set aside by Guru Gobind Singh, who was born at Patna in 1666, as a day to be given to religious rites.

In the afternoon, commencing at 3 o'clock a talk was delivered in English by a member of the Sikh community on the principles and doctrines of the Sikh religion. All during the day the beating of Oriental drums and weird music could be heard emanating from the temple.

KILTIK SURVIVORS

TELL THRILLING STORY

Chief Engineer Craig Swam to Shore With Line, Saving Crew

Vancouver, April 14—A dozen men, residents of Vancouver, owe their lives to the courage and endurance of Kenneth Craig, chief engineer of the wrecked fishing schooner Kiltik which went ashore in a storm off Cape Fairweather shortly before midnight on March 25, while she was heading toward Prince Rupert from the halibut grounds. Treacherous currents of the Bering Sea caught the Kiltik, and threw her off her course. As darkness fell on March 25 a strong gale sprung up with snow squalls. Proceeding through the storm the ship struck at 11:30 p.m. FROM REEF TO REEF

Captain F. J. Brown, her master, who with ten men saved off the ship, arrived here on Wednesday, spoke highly of the powerful construction of the vessel. Had she not been so well built she would have broken up far off the shore. From reef to reef, through the terrific breakers, she crashed onward. Engineer Craig kept the engine running all night in vain hope of pulling off. The waves assailed the lifeboats, and Captain Brown ordered all hands to stay by the Kiltik, as it was their only chance of being saved. Finally in the dense blackness of night and snow the boat became fixed.

"GIVE ME A LINE" In the engine room, waist-deep in water, with floating boards slashing and thumping around him Craig was still on duty. He was called to the deck when Kiltik made her final stop.

"It's all over," said some of the members of the crew. All over, nothing, said the chief engineer. "Give me a line and a life-belt."

The shore was 200 feet away. Over he went, into the icy waters, and struck out. The men on board paid the line out slowly. Once it tangled, once it became wrapped around Patrick Callahan who was later found.

He has gained a reputation all over B.C. for our immense display of Lloyd's All English Carriages, built like a car—motor type leaf springs, floating axles, underlaid bodies, cush tires. We are sole agents for this renowned make. Prices range from \$37.75 to \$60.

Boston Players Fight Referee After Game

Bruins, Disappointed at Losing Stanley Cup to Ottawa, Waylay Jerry Laflamme and Batter His Face; Said to Have Been "Most Disgraceful Scene That Ever Marked Professional Hockey"; Boston Officials Said to Have Been in on Riot; Senators Too Masterful for Bruins and Win 3-1

Ottawa, April 14.—Charges that Boston's hockey players precipitated an attack on Referee Jerry Laflamme, after the game last night's deciding triumph by the Ottawa Senators over the Bruins in the Stanley Cup series, have been lodged with the National Hockey League's president, Frank Calder, The Ottawa Journal declared to-day.

The Journal asserted that the close of the series was marked by "one of the most disgraceful scenes that has ever marked professional hockey."

The referee's report of the fracas, according to The Journal, names Billy Coutu, spare defence player of the Bruins, as the "main culprit."

Describing the affair, The Journal continued: "Coutu jumped on Laflamme and knocked him down and, according to reports, Manager Art Ross and even Charlie Adams, Boston owner, were involved in the tussle."

"The riot occurred near the officials' room. Laflamme emerged with a painfully swollen face."

Ottawa, April 14.—Won in a bitter four-game battle, with a strong Boston team, the professional hockey championship of the world remains in Canada for another year.

The Stanley Cup, trophy emblematic of the title, goes to the Senators, of Ottawa, who turned in a 3-1 victory in the fourth game of their world series with the Boston Bruins here last night. Another Canadian team, the Montreal Maroons, won the trophy in 1926; and in 1925 the Victoria Cougars had possession of it.

As a more material reward the Ottawa players received about \$1,200 each, while the Bruins got \$800 as solace for lacerated elbows and bruised shins. Two games were tied at 0-0 and 1-1. Ottawa's first victory was 3-1, the same score as last night.

The rough and ready pace of the deciding game made hard sledding for Referee Jerry Laflamme, of Toronto, who meted out four major penalties for roughness and back talk. A free-for-all fracas with Laflamme as its centre, took place on the way to the dressing-room after the manager and owner of the Bruins had accosted him. He was not hurt, but the matter was reported to President Frank Calder, of the National Hockey League, who was in the building.

REFEREE ATTACKED

As the teams came storming and wrangling off the ice at the termination of the game, Laflamme made his way down the passageway to the referee's room. Here, at the door, he was accosted by Manager Art Ross and Owner Charles Adams of the Bruins. In the mixup that followed an official of the Boston Bruins, club struck Laflamme in the face. Coutu, and another Boston player mixed into it and Laflamme was knocked down. He was uninjured, however, and, interviewed after, refused to say anything, stating that he would place the whole affair in the hands of President Calder, of the N.H.L., who was a spectator at the game.

The net minding was again of a very high order and both goalies rose to the heights of stardom on numerous occasions. Connell and Winkler, in turn, pulled off saves that bordered on the uncanny, Connell starting especially in the early part of the contest.

Clancy turned in another wonderful game, with Denenney, Kilrea, Finnegan and Nighbor starting on the line. Shore, Cleghorn and Fredrickson were good for the Bruins, although the work of the Boston wings, Oliver and Galbraith, was brilliant throughout.

Another packed house saw the Senators sweep to the height from which they were twice crowded by Canadians and Montreal in turn.

FIRST PERIOD

Finnegan and Kilrea started out, H. Smith had a bad shoulder, Clancy burned in two hot shots on the opening rush. Fredrickson drove a long one. Winkler made a wonderful save from Finnegan who took Kilrea's pass inside. Boucher gave Oliver room for a shot but the drive was may. Finnegan almost caught Winkler napping with a floater. Finnegan missed out but it was wasted. Galbraith fed Oliver but Kilrea cut over in time. They raced from end to end at a fast clip. Shore stopped Finnegan. Nighbor picked up the loose puck and almost scored. Fredrickson swept from end to end and Connell bottled out one that looked like a sure goal. Kilrea sniped two into Winkler's skates. Herberts passed out from his rush but there was no Bruin to take it.

Denenney stopped Shore, raced around the defence and scored from the wing in 11:25. He drove the puck between Winkler's pads and the post.

Clancy drove in a shot from blue line. Adams for Finnegan. Oliver first in fast. But Kilrea overhauled him in time. Bruins were fighting hard for a goal. Kilrea was in alone but Shore cut him down. No penalty. Oliver shot from close in but Connell bottled it out. Boston has four men on the attack. Connell went down to block Hitchenman's snap shot. Connell fought one out.

FREE FIGHT

H. Smith jumped into Hitchenman, the latter slugging Smith with his stick, they tangled and a free fight followed. Hitchenman was given the rest of the game. G. Boucher also given the rest of the game for wading into Hitchenman.

Fredrickson was ruled "off" for slashing Kilrea. The Senators commanded the individual play as they battled along short-handed.

Clancy drove a long one. Oliver and H. Smith traded lone thrusts Kilrea went alone.

Foley to Meet Snell

Vancouver, April 14.—Doc Snell, of Tacoma has been signed to meet Vic Foley in a ten-round bout on Friday, April 22, replacing the Ted Morgan and Foley championship bout originally set for that date.

Snell is one of the outstanding contenders in the country for the junior lightweight championship, and the Foley and Snell bout will be an elimination contest for the right to meet Morgan in a title bout in May.

Snell in the past few months has beaten Jimmy McLarnin, King Tut, Johnny Parr, Wildcat Carter, and also copied a decision over Foley in their last meeting, a little over a year ago, in Seattle.

Record Entry List for To-morrow's Road Races

Seventeen Runners Will Compete in Annual Ten-mile Race; Eleven Youngsters to Take Part in Junior Event; Great Races Are Anticipated, as Fields Are Large and Good; Senior Race Will Start at 10:30 o'clock, Juniors Follow Ten Minutes Later; Chief Fry to Act as Starter

With the biggest entry list that has ever competed in a road race in Victoria the Britannia Post of the Canadian Legion will stage their annual ten-mile jaunt to the top of the Four-mile Hill and back to-morrow morning.

In the senior event no less than seventeen of the city's best long-distance runners will participate, while in the junior event eleven boys will go out after the silverware.

Chief of Police John Fry will be the official starter and the seniors will get away promptly at 10:30 o'clock from the starting-point at the corner of Johnson and Broad Streets. They will be followed by the juniors at 10:40 o'clock.

Lester Patrick Has Three Offers But Is Undecided At Present

Manager of N.Y. Rangers Reached Seattle on His Way to Victoria

Game is Going Over Big in Eastern States, He Says; Will Return to East

Seattle, April 14.—Lester Patrick, who a couple of years ago piloted the Victoria Cougars of the late lamented Western Hockey League to world championship honors, is back in the Pacific Northwest for the summer after a successful season in charge of the New York Rangers. But, according to present indications, there is little likelihood that his sojourn on this coast will last more than a few months.

Hopes had been entertained in some quarters that Patrick would remain in these parts as manager of one of the clubs in the new Pacific Coast Hockey League, but Lester's conversation here last night during a brief stopover on his way to join his family in Victoria, held out little hope of such a development.

While he refused to commit himself definitely as to his plans, Patrick stated that he probably would be back at the helm of an eastern club next season—if not with the New York Rangers, then with one of two other organizations that have recently made him attractive offers.

"Hockey has definitely established itself as a major sport in the East," Patrick stated, "and the former Cougar leader, 'At Madison Square Garden, where the Rangers played the home games, the gate averaged around \$18,000, and on one occasion we played to a \$21,000 house. The newspapers and the public have taken strongly to the game and its future is definitely assured."

The Ranger pilot deprecated rumors, emanating from New York of friction between himself and the club owners.

"No sport manager ever had a bed of roses," he stated, "but, on the whole, my relations with Col. Hammond and the other officials were most cordial."

"No, I have not signed the contract the Rangers club offered me for next season. There is time enough for that yet. Besides I have offers from two other clubs to consider. But I am reasonably sure that I will be back in the National Hockey League next year."

Patrick expressed himself as delighted that hockey was to be revived on the Pacific Coast next winter, but doubted very much that he would find it to his advantage to return to this sector in a hockey capacity.

"But, of course," he added, "I'll continue to make my home out here. Lester will leave for Victoria to-day."

INKSTER BEATEN

Ocean Park, Cal., April 14.—Bobby Lammie, Los Angeles boxer, won by a decisive margin over Scotty Inkster, Vancouver, B.C., 146-pounder, in their ten-round meeting here last night.

FINE ENTRY LIST

The senior entry list includes a strong representation from all parts of the city. Eight runners from the Princess Patricia's Canadian Light Infantry, are competing, while the other entries are from Hanbury's Bakery, Y.M.C.A. and Brentwood College. J. B. Jeffrey, last year's winner, has entered and will make a bold effort to retain his honors.

In the junior event the Y.M.C.A. has three runners, Brentwood College two, Esquimalt High School one and the Central School two.

A fine list of prizes have been donated for both the senior and junior events and are on display in David Spencer's Limited.

The prize list is as follows:

A VICTORY FOR BERGOT

Bellingham, Wash., April 14.—Dode Bergot, Everett waterweight, won the decision from Frankie Lewis of Klamath Falls, Oregon, in the main event of a boxing card here last night.

Frankie Repose, Bellingham 120-pounder, knocked out Billy Townsend of Vancouver in the third round of a scheduled six-round go.

Two Championship Soccer Games Will Be Played To-morrow

Rennie and Taylors Meet Tillicum in First Game of Series For League Title

Esquimalt Meet Cumberland in Afternoon For Championship of Island Division

Football fans will have plenty of entertainment to-morrow, as two championship games are scheduled at the Royal Athletic Park, one in the morning and the other in the afternoon.

At 10:30 o'clock in the morning Rennie & Taylors and the Tillicums will clash in the opening match of the play-off series for the championship of the Wednesday Football League. The clubmen won the first half of the league schedule and the breadmen copped the second-half honors.

Rennie & Taylors have a fine team, and are called to win, but a real good game is anticipated, and a crowd is looked for. Wednesday league teams have been getting fine patronage this year, and have had a most successful season. In the last meeting of these clubs Rennie & Taylors gained a 5-3 victory.

McMillan will handle the whistle, and the teams will be: Rennie & Taylors—Lomas; Tushman and Gilbert; Sewell, McKinnon and Oakman; Taylor, Field, Speak Stewart and Stewart.

The Tillicums will be selected from the following: Gilliam, Armitage, Woolsey, Davis, Wright, Owen, Burns, Ross, Fraser, Brown, Berde and Graham.

In the afternoon a great game should be provided when Cumberland and Esquimalt, local champions, meet for the island championship of the second division of the Pacific Coast League. The teams will get into action at 3:30 o'clock with Hewison in charge.

The winner of this game will earn the right to meet the Mainland second division winners for the league championship.

Cumberland has sent word to the effect that they are bringing down a strong team, and have high hopes of going back with the island title tucked under their belts.

Esquimalt have won all local football honors this season and will field their usual team. Coulter, who was out of the line-up last week will play to-morrow. The remainder of the club will be the same and Esquimalt supporters have every confidence in their representatives.

The Esquimalt team will be as follows: Bridges; Watt and DeCota; Hosmer, Spiers and Hay. Stewart, John, J. Coulter, Warren and Wagland.

To the Sports Editor:—I am making an appeal to all soccer fans to attend the big game at the Royal Athletic Park to-morrow afternoon between Esquimalt and Cumberland, for the island championship of the second division of the Pacific Coast League. The Pacific Coast Inter-city Football League has gone to a considerable expense to give the fans better football, even so far in this case as guaranteeing the visiting team their expenses.

Insurance of Victoria being allotted future matches in these championship play-offs depends entirely on the support accorded these Pacific Coast League games. Therefore, I appeal to soccer fans to turn out in large numbers on Friday, and may the best team win.

W. G. STONE,
Vice-president P.C.F.L.

NO LIGHTS, NO FIGHT

Buenos Ayres, April 14.—The scheduled bout between Ernie Smith, Italian heavyweight, and former European champion, and Victor Campolo, Argentine champion, was postponed last night until Saturday because the ring, in common with a large part of the city, was without lights.

Fire in one of the largest electric power plants in the city paralyzed trolley car traffic and a large section of the lighting system of the city.

TILDEN BEATS VOSHALL

Pinehurst, N.C., April 14.—William Tilden II, of Philadelphia, advanced to the semi-finals in the North and South singles tennis championship yesterday by defeating S. Howard Voshall, New York, in straight sets, 61, 6-2.

He will meet Francis T. Hunter, New Rochelle, who had a more difficult time defeating Emmett Parsons.

Fine Players Tee Off In Qualifying Rounds

Over One Hundred Men Here From Many Parts to Play For B.C. Championship

Qualifying Round of Thirty-six Holes Will Be Played To-morrow at Oak Bay

All that is wanted now to make the B. C. men's amateur golf championship a success is fine weather. The entry list is the finest in the history of the competition and the course at Oak Bay, where the event will be staged, is in prime shape.

The entry list has passed the century mark and many of the golfers are rated as the best on the coast. Vancouver is strongly represented, while Seattle has Bon Stein here, which assured her of a hot favorite. Tacoma has sent along "Chuck" Hunter, the present champion, while Spokane has two entries and California has one.

The draw has been made and the first players will be away at 8 o'clock to-morrow morning. They will play eighteen holes in the morning and another round in the afternoon. The thirty-two lowest scores will qualify for the succeeding rounds.

The draw for the morning round is as follows:

8:00—G. M. Lynes and Archie Stuart.
8:05—G. M. Terry and J. Perkins.
8:10—Stan Haynes and Dr. D. H. Houston.
8:15—Harold Haynes and E. T. Lowry.

SEATTLE SHIPPING

Seattle, April 14.—Robert McBride, in charge of the Seattle office of the shipping firm of Griffiths, McBride & Piper, announced last night that he and Edgar E. Piper had sold their interest in the company to E. J. Griffiths of Portland. The firm will continue business under the direction of Griffiths, with W. G. Ide in charge of the local office. Ide, who for the past seven years has been with the Suzuki & Company, took charge yesterday. The Griffiths, McBride & Piper Company acted as agents on the North Pacific Coast for the Norway Pacific Line operating six motorships between Norwegian and Continental ports to the Pacific Coast and Puget Sound.

Timber Topping is Seen by Governor

Vancouver, April 14.—Timber topping was watched with keen interest by Lord and Lady Willington at the camp of the Abernethy & Loughhead Company at Alico this morning. Leaving Vancouver at 9:15 a.m., the Governor-General's party made the twenty-mile run to Fraser Mills, where all parts of the plant were viewed. From Fraser Mills, Lord and Lady Willington proceeded to the lumber camp and then went to the woods to watch the actual logging operations. At 4 p.m. a golf game will be enjoyed at Burquitlam. Lord and Lady Willington will leave the course at 6:45 p.m. for the boat which will take them to Prince Rupert, sailing at 9 p.m.

NEW CAPTAIN FOR BLUE FUNNEL BOAT

When the Blue Funnel liner Talthybius, which arrived here yesterday from the Orient, sails on her outward voyage she will have a new commander on the bridge. Captain J. Hatfield will relieve Captain J. Davis as master of the vessel. Captain Davis served his allotted twelve months in this trade and is expected to go home to England for a furlough before going out on another Blue Funnel ship. Captain Hatfield recently sailed from Liverpool to meet the Talthybius and is expected to join the vessel next week.

"A GOOD LIVE ROCKEFELLER" COUNTRY'S NEED

Winnipeg, April 14.—The most essential feature of any immigration policy for this country is the immigration of capital for industrial development, declared Premier James G. Gardiner of Saskatchewan in an address before the Winnipeg Canadian Club yesterday.

"The time has come when Canada must develop industrially, and putting people on the land is not sufficient," the speaker continued.

Premier Gardiner went on to advocate a more tolerant attitude toward capital and visualized the opening up and development of the area between here and Cobalt, Ont.

The growth of agricultural population should from this time forth go hand in hand with the growth of industrial population.

Speaking on the subject of the talk circulated on the inadvisability of private capital being allowed to do various things, the Premier hazarded an opinion that all other things being equal, it may be wise to confine development of natural resources to Government effort, but he would rather prefer the activity of a good live Rockefeller or a Carnegie any time, to a Rip Van Winkle, even in the form of a government.

Montreal Banker Gets French Decoration

Montreal, April 13.—Sir Frederick Williams-Taylor, general manager of the Bank of Montreal, has been made an officer of the Legion of Honor by the government of France for his financial work in that country. It was announced today by Baron de Vitrolles, consul-general in Canada for the French republic.

BRINGING LARGEST PASSENGER LIST SINCE DAYS OF GREAT WAR

R.M.S. EMPRESS OF CANADA

Flagship of the Canadian Pacific fleet, which will dock here sharp to her schedule on Easter Sunday morning, according to cable advices received from her captain, Commander Sam Robinson, which stated that the Canada sailed from Kobe last Friday with no less than 1,623 passengers of all classes on board. This is the largest passenger list carried on an inward journey since the Great War. The Canada left Kobe two hours late, but, in spite of the usual trying April weather, will steam into William Head about 5 a.m. The Canada is also carrying a capacity cargo list, including heavy mail consignments from Japan. She has 124 through passengers for Europe, and 194 Japanese travelers.

Gigantic Wave Strikes Vessel Killing Seaman

Lunenburg, April 14.—Robert Corkum, fifty, member of the crew of the Lunenburg schooner Alsatian, a native of Pentz, near here, was almost instantly killed, and four others, including Captain Harold Corkum, seriously injured, when a great wave struck the schooner as it was lying at anchor at the western banks last Sunday night. The Alsatian, which arrived here this afternoon with flag at half-mast, was swept from stem to stern of everything movable and was forced to abandon her trawls which had been set before the blow fell.

While riding out a stiff northerly gale on heavy sea, a huge wave, fifteen feet high, broke with tremendous impact over the little vessel, completely submerging her. When the wave passed Robert Corkum was lying fifteen feet from the hoisting gear where he had stood when the wave broke. He died a few minutes later from head and body injuries.

KAGA MARU DOCKS WITH LIGHT CARGO

Has Thirty Passengers For Victoria; Rough Weather Off Japan Coast

Bringing a light cargo and a passenger list of fifty-six from the Orient, the Nippon Yusen Kaisha vessel Kaga Maru, Capt. Yoshida, docked here last night at 7:15 o'clock. The vessel was several hours late, having encountered heavy weather off the Japanese coast. Fine weather enabled her to make up some of the time on the latter part of the voyage. Thirty passengers left the vessel at this port, including twenty-eight stevedores. First-class passengers, disembarking here were Mr. and Mrs. T. R. E. McInnes. Mr. McInnes is a writer of note and has been on a long tour in the Orient and other parts of the world. He left for Vancouver on the midnight boat. For Seattle the Kaga had twenty stevedores and six first-class passengers. Total cargo was 1,059 tons, 100 tons of which was discharged here. Shipments discharged here included three cases of silk goods, porcelain, rice, beans, dry goods, toys, crockery and other general freight. For Seattle there were sixty-five bags of mail for Victoria and 300 for Seattle.

Barge En Route Here Capsizes

Port Townsend, April 14.—En route to Victoria in tow of a Cary Davis tug, the big gravel-carrying barge, 310 B, of the Drummond Lighterage Company, capsized here yesterday. She struck the face of the Union Dock, partially wrecking it. The barge is almost a complete wreck. Work was immediately commenced to get the big barge free from the dock before a storm comes up, which would make a complete wreck of both barge and dock. The capsizing is due to the fact that the barge was leaking and the waves of a passing vessel caused her to turn turtle.

TO-MORROW'S HOROSCOPE

"The Stars incline, But Do Not Compel" (Copyright)

FRIDAY, APRIL 15, 1927

This is a day of contrary planetary influences according to astrology. Malefic aspects dominate.

Early in the morning financial matters of every sort are well directed by the stars.

Banks and bankers are subject to a planetary government making for increase of scope of activity and responsibility.

Financiers will be called to Washington, D.C., from all parts of the United States, the seers prophesy, for important conferences.

Many precedent-making conventionalities will be held at the national capital in the next few months, but the peaceful efforts of Uncle Sam apparently will not register in world affairs, astrologers foretell.

There is a promising sign for agriculture to-day and farmers will have reason to vision prosperity, if the stars are wisely read.

Much evil propaganda will be disseminated in the coming months when the public mind will be assailed with sophistries dangerous and far-reaching, it is predicted.

Thought is to be probed and to be analyzed in a manner that will make telepathy a common mode of conveying messages, the seers prophesy.

Intense mental activity will mark the year when scholars and scientists will gain new recognition.

Criticism of men who wield power in the government may be prevalent in many parts of the United States as the year advances and they who are wise will refrain even from the thought that is likely to undermine the personal influence of statesmen.

Sudden changes in the affairs of the Prince of Wales are foretold by foreign astrologers who prophesy a possible marriage.

Great Britain is to be the scene of events of extraordinary and unexpected importance, it is prognosticated.

Persons whose birthdate it is may expect a year of rather surprising experience. New friends will appear, but they should not be accepted too readily.

Children born on this day probably will have eventful careers in which they travel widely and have the most unusual opportunities to meet famous persons.

(READ THE STORY, THEN COLOR THE PICTURE)

Fair Bobby Shaftoe felt real proud that he could show the Times' crowd the way his little sailboat sailed across the deep blue sea. He'd pushed it out a ways, and then two fold right back to shore again. Then Clowdy sat down on the sand and said, "Say, just watch me."

He tossed his shoes up in the air and shortly both his feet were bare. He scampered to the water's edge and shouted, "Gee, it's cold." "Oh go on, I'll," we Scouty cried. "It's warmer when you're once inside." So Clowdy shouted, "Sure I will. I'll show you I am bold."

He waded in up to his knees and my, at first, he thought he'd freeze. But then, when he got used to it, it wasn't bad at all. "Watch out," cried Coppy, "there are stones. Don't stumble now, and break your bones."

And Clowdy walked quite cautiously just so he wouldn't fall.

The boat was then pushed out to him, and very soon he made it swim across the glassy water just as slick as a sloop can be. The others then went wading too. It was a lot of fun to do. But Bobby Shaftoe stayed on shore, 'cause afraid was he. A ways from shore a boat went by. They tipped the sailboat over and this quickly stopped their fun. A jump rose in poor Bobby's throat. "Oh, my," said he, "don't spoil my boat!" But Coppy quickly told him it would dry out in the sun.

Then all the Times left the lad and thanked him for the fun they'd had. And then they heard a country maiden sing a milking song. They rushed right up, quite unafraid, and said, "Where are you going, Maud?" And she replied, "A-milking! Won't you come and go along?"

KFI to Celebrate Anniversary With 20-Hour Broadcast

Los Angeles, April 14.—Celebrating its fifth anniversary, officials of KFI, Los Angeles, have announced that the station will be on the air Easter Sunday, April 15, with twenty hours of continuous broadcasting.

Coming on the air at 4 a.m., with a special programme by Virginia Robert Hurd at the Aeolian Studio, which will be broadcast at the municipal sunrise services in the Los Angeles Coliseum, the varied programmes will continue until midnight, and will be of sacred, classical and semi-classical selections, all jazz programmes having been cancelled for this date only.

Since KFI first went on the air on Easter Sunday, in 1922, it has never missed a night, and on this Easter will have attained a total of 1,825 consecutive nights of broadcasting. During these five years, facilities have been perfected and developed from the little fifty-watt plant to the super station of 5,000-watt capacity, with resultant better transmission, and programme quality has gone forward proportionately.

Easter's programme marks the fifth milestone in the career of a station, instituted when radio was still in its swaddling clothes, and because of the double importance of the day, exceptionally interesting presentations have been arranged for each of the twenty hours, through the eager co-operation of KFI artists to make it a success.

In Colorado, New Mexico and Wyoming, beams climbing poles in search of honey are a considerable source of trouble on electric transmission lines.

Grandpa Leads the Health Parade

With spring in his heart and "that Kruschen feeling" in his veins, Grandpa steps it out like a two-year-old. With all of the ambition and pride of a boy of twenty, he dresses immaculately. Grandpa knows that good clothes are part of the secret of a happy heart and a tireless spirit, and he dresses his youthful body and sprightly limbs to accord with "that Kruschen feeling."

Do as Grandpa does. Take your daily dimeful of Kruschen Salts — your daily dimeful of ambition and energy. Every morning, tip into your breakfast cup of coffee or tea just enough of the magic powder to cover a dime. Kruschen contains all of the salts your body needs to keep it

healthful. And in a single 75c bottle there are 150 doses—nearly enough for six months.

If you could lead an ideal life in the open air, free from worry, getting the exercise that your body needs, and eating right, you would naturally extract those six salts from your food.

But, when you are tied down to the life of the city, too much indoors, getting little air and exercise, and never really free from worry, impurities of all kinds collect in the body, and make you feel listless and depressed.

Prepare to enjoy the summer weather. The Kruschen habit gently but thoroughly stimulates the liver and kidneys to their functions, removes waste matter and impurities from the system, sends new vigorous blood coursing through your veins, filling you with that "go-and-get-it" ambition that brings success.

Trustees Charge Lack of Courtesy by City Committee

School trustees of Saanich last night criticised the city's manage-

ment of the reception to Lord Willington at the old Craigflower School. Reeve Crouch of Saanich had been given no invitation to the function, and the school board had been ignored until protests brought a last minute invitation to the chairman.

"We could not conduct such a function anywhere in Victoria without first securing the co-operation of the civic authorities. We would be promptly told to get out," complained Trustee Thorpe.

Mayor Penderay was absolved of blame by the trustees, who considered the committee in charge had put a slight upon Saanich.

AMUNDSEN WILL TELL STORY OF HISTORIC FLIGHT

On Friday, April 23, Capt. Roald Amundsen, the internationally-known explorer, will give two lectures at the Royal Victoria Theatre under the auspices of the Gyro Club. Capt. Amundsen, who stands in a class by himself in regard to polar exploration work, will tell the story of his recent flight over the North Pole on the airship Norge. A picture of which appears above. The title of the lecture is "From Rome to Teller, Alaska, by Air over the North Pole." Capt. Amundsen has many thousand feet of thrilling motion pictures, as well as many still pictures, of great interest.

The Gyro Club has arranged to reserve the afternoon lecture on Friday for school children and teachers, owing to the immense educational value of it. The evening lecture will be open to the general public.

LOCAL INVENTOR DRAWS ATTENTION WITH GAS FURNACE

F. H. Hewlings Extracts 97 Per Cent Effective Heat From Coal Gas

Pioneer Maker of Coal Gas Contributes Unique Experiments

Thermal engineers who have studied the complex problems in the conservation of the 460 British thermal units in a cubic foot of commercial gas will appreciate the success made by F. H. Hewlings, superintendent of the gas department of the former Victoria Gas Company, now a subsidiary of the B.C.E.R.

Mr. Hewlings, who has had forty years actual experience in the manufacture of coal gas, has devoted the last three years to an intensive study of gas furnaces, and the defects of the appliances put on the market for the heating of residences and buildings of heavier construction.

To The Times to-day Mr. Hewlings explained that he had now succeeded in improving the composition of the modern gas furnaces so that their efficiency would be thirty per cent above the latest models turned out.

In some experiments—97 per cent of the coal gas used as fuel was turned into effective heating.

The central features of the superintendent's experiments have been aimed at the perfection of vacuum feed and automatic control of heating plants, and have already led to modifications which will affect the construction of gas furnaces likely to be manufactured in future.

The perfecting of an electro-magnetic valve the positive operation of which supplants previous devices to shut off the supply of gas in the event of a leak or misplacement in the equipment, is expected to do away with the cumbersome devices previously used to that end.

Mr. Hewlings has also simplified the burners used in the modern radiator systems, by the use of vacuum principles, and a perfected system of discharge which carries away the exhaust.

While most of the changes brought about by the series of experiments conducted under the supervision of Mr. Hewlings are of too technical a nature to be generally understood except in engineering circles, the results are said to be an outstanding contribution to the science of thermal engineering in this modern era.

The Hewlings' devices have been tried out at the local plant of the company against the best imported gas furnaces, and are said to have shown a clear gain in the conservation of the heating energy of the fuel used.

The average imported furnace of the more expensive make puts 331 thermal units of the 460 in a cubic foot of gas to work, with a loss of from 20 to 32 per cent of the fuel in combustion and dissipation outside of the effective radiating area.

The new devices adapt known principles to extract 437 thermal units from the same quantity of gas, or an increase of a net 30 per cent in efficiency when operating under

the extreme conditions of cold weather radiation.

The saving in operating cost, the simplification of design, and the additional safety that comes from perfect control under automatic operation are claimed to be leading advantages of the new plan, which will insure for the work of the local inventor continental wide interest in the experimentation he is now bringing to a successful issue. A minimum of 92 per cent and a maximum of 97 per cent is shown by the Hewlings' improvements in the percentage of effective use of the B.T.U. units in coal-gas.

Both the individual radiator system of gas heating, and a newly perfected central furnace for residence installation will be shown by the B.C.E.R. department at the Home Products Exhibition. This will be the first public appearance of the central furnace plant, which is a wide departure from existing forms with similar aims in use to-day.

SCHOOL BOARD CUTS ESTIMATE \$15,000

Will Oppose Any By-law on Craigdarroch Purchase Proposal

A reduction of its extraordinary estimates by \$15,000, leaving \$10,000 that will be asked from the city this year, in the event of the purchase of Craigdarroch for college purposes, was decided on by the city school board last night.

The board first tendered its estimates for this purpose showing \$25,000 as the contribution asked from the city towards the plan. The City Council disapproved of the estimates at its last regular session, but left the way open for the board to put in an amended bid.

WILL NOT EXCEED \$35,000

In agreeing to ask for only \$10,000 of the money this year the members of the board state that the grant of a like sum from the Provincial Government would be forthcoming, and the balance required could be secured on any plan that was mutually agreeable to the council and board.

The city's offer for the college will not exceed \$35,000, it is believed, in negotiations now under way.

"I think the estimates will pass the council in this way," stated Trustee J. L. Beckwith. "It is absolutely useless to talk about submitting a by-law to the people."

"We don't want that," concurred W. T. Strath, favoring the altered sum of the extraordinary estimates this year. The amendment was made unanimously, and will go forward to the City Council on Tuesday, the next session of the ratifying body.

Total expenditures of \$157,671 were reported to the board by its finance committee, out of an estimated expenditure for the year of \$528,839.

The old annex building of Oakland School, will be converted into an assembly hall during the Easter holidays, it was decided. To this end the board received with gratitude an offer of \$100 from the Oakland Park-tenants' Association. The work will cost \$295, it was stated.

REPAIRS AND PAINTING

Incidental repairs and painting, much of which will be done by day labor, were reported on by the building and grounds committee, and carried. The sum of \$500 will be spent for supplementary repairs in the graded schools, voted last night for the purpose. A new typewriter for the school board office, and a car allowance for the municipal inspector were also ratified. A tender for new High School lockers' lock was accepted, and the work of installing the locks will go forward.

The board agreed to draw the attention of principals to the forthcoming lecture of Capt. Roald Amundsen at 3.30 p.m. Friday, April 23, and to see that special mention was made of the anniversary of the arrival of Capt. George Vancouver.

After other and incidental business the board went into committee to consider affairs in relation to the internal control of the schools.

TRUSTEES FAVOR EMPLOYMENT OF SINGLE OFFICER

Saanich School Board Would Combine Under One Officer All Medical Services

Favoring abolition of duplication in direction of the health affairs in Saanich, the Saanich School Board last night, by the casting vote of Chairman F. V. Hobbs, adopted the following resolution, moved by Trustee Mrs. Beckwith and seconded by Trustee H. P. Thorpe:

"Whereas the duties of Municipal Health Officer, School Health Officer and Supervising Matron at the Health Centre are costing the ratepayers of Saanich too much, owing to overlapping of work;

"Be it resolved that the school board and council confer together,

no power to deal, in any way, with reorganization of the Health Centre or municipal health service, this being the major cause of his objection to Trustee Mrs. Beckwith's resolution.

with the object in view of engaging the services of a qualified medical man to act as house doctor with headquarters at the Health Centre, combining the duties of Medical Health Officer, Medical School Officer and Supervisor of Nursing at the Health Centre.

Trustees R. Macnicol and A. E. Horner unsuccessfully tendered an amendment eliminating specific objections in any discussion with the council. They argued that the time is not yet ripe to specify the exact duties which should be placed on the suggested whole-time official.

It was also considered by Trustee Macnicol that the school board has

new, finer faster trains

to California!

Effective April 17, new speed and deluxe service over Southern Pacific's Shasta Route.

7½ Hours Quicker Seattle to San Francisco

Faster time than ever before between Seattle and San Francisco. Only 29 hours on the swift Cascade, new extra-fare flyer over the scenic Cascade line—just opened for through traffic. A trip of thrilling scenic interest through the Cascade Mountains, along beautiful lakes and streams.

Now, too, a finer travel service to delight the most exacting. Luxuriously appointed throughout, Cascade will be one of the country's leading trains. Observa-

tion and club car; standard sleepers; shower-baths and the personal service of barber, valet and ladies' maid. Dining car menus of unsurpassed variety and excellence.

Through sleepers on Cascade will leave Seattle (King St. Station) daily at 4:30 p. m., arriving San Francisco at 9:25 p. m. next day. Re-

turning, will leave San Francisco at 4:40 p. m., arriving Seattle at 9:45 p. m. Extra fare \$3.00 and proportional to intermediate points.

9¾ Hours Quicker Seattle to Los Angeles

Train No. 15—another faster and finer train over the Cascade line through to Los Angeles. No extra fare, yet comparable to the finest in service and equipment. Convenient morning departure with arrival second morning following in time to start the day in Los Angeles.

Through Pullman on Train No. 15 leaves Seattle (King St. Station) at 9 a. m., arriving Los Angeles at 8:30 a. m. second day. Carries through Pullman Portland to San Francisco, arriving there at 8:35 p. m. the next evening. Returning, leaves Los Angeles at 6:05 p. m., arriving Seattle 7:15 p. m.

Shasta and Oregonian

Operating over Siskiyou line, the famous Shasta will continue as a premier train. Serves Eugene, Medford, Ashland and other southern Oregon points.

In addition to standard Pullman equipment and full observation lounge car, the Shasta will now carry day coach to accommodate travelers to intermediate points.

Through Pullman on the Shasta will leave Seattle (Union Station) at 11:15 p. m. and arrive San Francisco 11:50 a. m. second day. Returning, leaves San Francisco at 7:40 p. m., arriving Seattle 6:30 a. m. No extra fare.

Oregonian also operates via Siskiyou line. Only one business day enroute. Leave Seattle (King St. Station) at 4:30 p. m., to connect with Oregonian leaving Portland at 1 a. m. and arriving San Francisco

9:50 a. m., first day following. Nordbound, leaves San Francisco 9:00 p. m., arriving Portland 7:15 p. m., second morning for convenient connection with Seattle trains.

\$24.68 Coach Every Tuesday and Special Friday, special all-coach trains leave Portland 10:00 a. m., arriving San Francisco at 10:30 a. m. next day (\$15 one-way fare from Portland \$24.68, including tax, from here). Over new Cascade line by daylight.

Low-cost service, roomy, comfortable coaches and free observation car lounge and open platform. Special diner and lunch-car menus at popular prices. Similar service returning every Wednesday and Saturday.

Travel south on Siskiyou line, return via Cascade line or vice versa if you wish. Thus see most of the picturesque scenery between the Northwest and California as you ride.
